Android games have been such a rave in the last few years that they quickly surpassed even game consoles relative to popularity. Continuous development in the field of smartphones has made it possible for leading game developers to get into the Google Play Store with their best lot. But there is one drawback with store play that most of the best games out there require an internet connection to work with. This often affects the gaming experience and limits players in a country like India where consistently finding an Internet connection can be a challenge of their own. So we've compiled a list of 35 of the most impressive, best, lowest MB and free android games you can play offline for mobile phones or tablets. The games were presented as top 5 in seven traditional categories. Check them out -

Monkey clothing can be customized, along with ropes like vines, burning ropes and snakes for a wide range of thills. City of Dead zombies: Invasion Watch GameplayThis is an adventure game the real world, virus and mutations of the undead. In P City there is peace and the zombie apocalypse has not yet hit Android stores to and easily one of the best android games to play about Wi-Fi.It is the perfect combination of random action and strategy games. They are exactly what's as the USP. If you are not familiar with the concept, the goal is to use a multitude of mutant plants as a weapon against a horde of terrifying (not so many) zombies. Each plant and zombie has a unique attacking and defensive prowess, which it uses their enemy. The video depicts the absorbing gameplay Adventure Offline GamesAdventure is the key ingredient that we watch watch When choosing to play the game in your spare time. Below are the best adventure games that you can play offline on your Android device. Ninja Arashi Watch GameplayNinja Arashi is an interesting and challenging game that takes you to a whole new world. It has stunning graphics and cool background music to keep up with the action. In the game, you are a ninja who has to overcome many enemies and battles to reach his goal and win the game. The only bad thing about this game is that it is too short. Once you complete all the levels, you will remain wanting more. Discover a new environment, levels and weapons, all with this cool adventure game that doesn't even require a data connection to explore. Sky Dancer Run - Running game Watch GameplayIf you're bored of Temple Run and Subway Surf, you can explore this gem. Sky Dancer Run is a unique journey that takes you through flying islands, large boulders, mountains and wide crevices. Jump over the rocks and conquer the abyss, flying like a bird, through clean and stormy weather. Not just running, Sky Dancer allows you to have loose falls in the game to land in different directions and explore the whole world of the game. Go through new adventures and get rewards by running exhilaratingly and jumping over obstacles. Jungle Adventure 2 Watch GameplayA powerful magician stole all the fruit from the mighty fruit forest to become immortal. You are Addu and your task is to go on an adventure with your faithful pet Bullion to get all the fruits back and defeat the magician. This award-winning game takes you through the magical land in an adventurous journey. The graphics are beautiful and the controls are pretty easy in this game. There are new features and over 60 levels for long-term enjoyment. It is suitable for both children and adults. Fantastic world takes you with its colors and pictures. Addu is an expert traveler and can jump, slide, run and swim. Help him escape enemies and win the battle of immortality. Beni Bananas Watch GameplayThis adventure game lets you control Beni's journey as he jumps from the vine to the vine in search of food. Earn bananas and other fruits for points and rewards along the way. You can get upgrades and bonuses as you advance to the game. The graphics are beautiful and engaging, making it interesting for all ages. The game allows you to use your knowledge of physics to cover different landscapes and surroundings like the temple ruins, jungles and waterfalls. Bananas and chili you upgrade and control. Monkey clothing can be customized, along with ropes like vines, burning ropes and snakes for a wide range of thills.
