Comments Share Gasmask File Gasmask ID 1270 Rare Rare Type Mask Slots 4 Slots (2x2) Description Prevents dangerous radiation when ed wearing with the operation filter. See Biohazard Hood for PEI, Washington and the Yukon equivalent. Gasmask is the Rare Mask in Unturned 3, which gives Deadzones ~250 seconds (4 minutes and 10 seconds) of immunity until their endurance reaches 0%. To repair, it must be replaced by holding a Filter and pressing your Primary Action Keybind ([Mouse #1] by default) when wearing Gasmask. Gasmask works the same way as Biohazard Hood. Acquisition: Belgium: It can be found at the Nulirane Research Center and left there by zombies. Cyprus Survival: This can be found in fires and police stations. France: From fire stations. Germany: Can be found at fire stations. Greece: Can be found at fire stations. Hawaii: It can be found in Coast Guard spawning group locations, such as Alika Base. Russia: It can be found in Firewatch towers and all other fire stations in Russia. Trivia: Gasmask was first seen as ancient. Real Gas Masks only block toxic gas particles, but not radiation. The filter is the Rare Radiation Filter in Un flipped 3. Filters are used to restore Gasmask or Biohazard Hood durability. Acquisition: Depending on the map, Filters can be found at Scorpion-7 facilities, fire locations or police locations. Cyprus Survival: Filter Police Locations and fire brigade can be found. Germany: Filter can be found at fire locations. Greece: Filter can be found at fire locations. Hawaii: In addition to standard locations, the filter can be found at Alika Base and Ailani. Russia: The filter can be found at fire locations such as Firewatch Base and Firewatch Towers. The filter can be found at the Scorpion-7 plant. Yukon: Filter Scorpion-7 can be found in places. France: The filter can be found at fire stations. Trivia: The context type was mistakenly listed as a Robotic Taret instead of a Radiation Filter. This was because Compass uses a new type of context, but the localization files are not updated to accommodate it.
