You will also realize that once you unlock the diabolical wing plan, everything from the Royal Creste Store will also be unlocked. Heh. If you have questions, or if there are any clarifications/corrections needed, please let me know as well. PERSONAL SUGGESTIONS to start collecting black wings. Item Requirements for Craft Devil Wings Once you unlock all four achievements, you get a Glast Heim Terminator achievement that allows you to buy the devil wing plan of Moses NPC in GH Hall. Necessary for making Devil's Wings: 30,000 Creste's Royale Medal (buy plan) Cyfar 2479 PC Biotiith 6 PC Broken Blade 10 pc Black Wing 450 pc Step 1: Kill all 4 SMVPs (Test of Antiquity Full Guide: How to Call SMVPs in Glast Heim Hall There are four SMVPs in Glast Heim Hall and each drops a specific item : Dracula - Blood Curse Chimera - Motley Rand Swordgris - Heavenly Gate Huge Devil - Devil Smile Collect all four items Participating in the killing of SMVPs. No need to actually kill the SMVP, just damage the SMVP and let other players kill it and you get a drop point in your quest bag. SMVPs can be called every 2 hours, killing 8 Revival Shaman in the lower left room of Glast Heim Hall. However, only one kind of SMVP can appear in a week, so it takes 4 weeks to complete. For example: Week 1: Chimera Week 2: Dracula, etc ... Once you get the items, give it to Morgul NPC near the entrance of Glast Heim Hall. The item will appear in your inventory (not in the quest bag anymore), click on it and put it in your adventure guide. Step 2: Clear Brilliant quests at GH Hall and Knight's (Glast Heim Mist) Shiny quests yellow shiny icons in mini cards. They can be seen on most of the Glast Heim maps. For the Devil's Wings quest, you have to clear the shinies in the GH Hall and chivalry. Just take them, talking to the shining object and the quest will appear. After cleaning the quest, you will have to give a brilliant NPC item. The NPC will give you a collectible item in return. Enter it into the guide by clicking on the item and selecting Put in Adventure Handbook. Then go to the Handbook Collection tab (portfolio icon) and activate the collected items (green plus icon). Note: Some require cleaning other shiny quests, while some of them also require a certain basic level requirement. If you're running out of Brilliant quests, try to clean up other brilliant quests in other GH maps, or check again after getting a few basic levels. Step 3: Kill named mobs in GH Hall and GH Chivalry (Strange Enemy) For this step you need to unlock four collectible items: Map of Destiny, Sword of Life, Rob Mimos and Invisible Arrow. You can check them out in your Adventurers Handbook in the Collection tab (a portfolio with a heart icon). To get them, you also need to get about 4-6 collectibles for each. For example, Life Sword requires these five items: Hero's Valor, Wicked Aura, Kuenzina Imprint, Susana Missing, Snake Scale: To get the requirements, you need to farm another set of items dropped on named mobs in GH Hall and GH Knighthood. Named Mobs are similar to conventional mobs, but they have a special name like Wanderer - Murasamemaru, and they appear larger. These Mobs appear at very specific locations in GH Hall/Chivalry, and each of them discards a specific object. (See the infographic above for their location) Life Sword (Glast Heim Hall) Item Of Requirement Named Valor of the Mafia Hero 20 Bravery in Legend Of the Wanderer Murasamemaru Evil Aura 25 Mysterious Gas Wanderer Kusanagi Kunitsina Imprint 20 Unknown Imprint Of The Wanderer Onimaru Kunitsuna Susano's Missing 15 Mystery Tear Wanderer Totusu No-Tsurugi Snake Scale 20 Broken Scale Wanderer Muramasa Destiny Card (Glast Heim Hall) Item Requirements Named Mob Right 20 Bloody Mace Joker - Scepter Holy Grail 20 Broken Gold Cup Joker - Holy Grail Star Coin 20 Dirty Coin Joker - Star Coin Sword 30 Broken Sword Joker - Sword Mimos' Robe (Glast Heim Chivalry) Item of Requirement Named Mob Amila's Diary Page of a Knight Sumina Alice Insignia 40 Mystery Insignia Piece Nassi Elinise Sumina's Dye 40 Mystery Dye Nassi Eisely Elinise's Four-Leaf Clover 4 0 Tattered Four-Leaf Clover Amir Invisible Arrow (Glast Heim Chivalry) Item Requirement Named Mob Golden Arrow 30 Yellow Arrow Golden Arrow Unaccountable Arrow 30 Dim Love Letter Crulero - Crazy Bow Soul Imprint 40 Tattered Soul Imprint Crazy Swordsman - Alrich Cursed Magic Bow 35 Broken Bow Ecklen - Magic Arrow After collecting the required amount for each named loot mob, talk to the appropriate NPC collectibles listed by the Blue Star icon on the map. GH Chivalry Collector NPCs GH Hall Collector NPCs Tips for killing named caviar mobs every few minutes. You can wander around gh hall / Knighthood on foot / Fly and kill them as they appear. Or you can leave your character in place of the caviar named mafia after you have set an automatic attack on this crowd. Leave it there for a few minutes/hours until you get the necessary necessary Drops. Step 4: Clear all Lv. 88 quests (Hidden Truth) Finally, you have to clear three quests when you reach at least the baseline level of 88. Here's the NPCs quest scene: Father-Daughter Reunion Answers: The Inverted Sword, Carry The Blade, Crimson Circle In the Middle of the Quest, you'll be asked to find the hidden NPC Schultz soul. This NPC is located behind statues in the same room, near Bafomets. (See the photo above) Near the end, you will teleport to this room. Kill the Swordsman with a red aura. The rest of the quest should be simple. Just follow the quest markers. Baron Evil Talk to a brilliant object near this place to trigger a quest from Horong NPC. Once you have successfully completed all the quests, you should be able to reach the Glast Heim Terminator Story quest title in your Adventurer's Handbook. Where The Farm Creste Royal Medals These Medals can be obtained by farming on the monsters in the Glast Heim card: Named Mobs Kill King Schmitz Memory and the Ghost of Janissary Captains in GH Hall of Anolians, Injustice, and Cramp in GH Calvert Good that you've probably already collected a lot of Royal Creste Medals just by making the Devil's Wings quests above. Where The Black Wings Farm there are three methods to get black wings: Fell on Bafo jr Star, but it's an inefficient way to farm them to buy them from the Adventure meatball shop for 6 meatballs each, with a daily limit of 10 pieces. Talk to Arnold NPC at GH Hall Entrance. He asks Cyfars/Abys Flowers/The necklace of oblivion and then asks you to kill a few mobs. He'll give you six Black Wings in return.
