3rd edition - Oxford University Publishing House. With 100% new content, the third edition of Oxford's bestselling mid-course offers a tried-and-tested methodology of solutions along with fresh and varied materials that will spark your students' interest and drive them to success. The Oxford University Press teen bestseller course is now available in the third edition, providing new and exciting content that comes with the successful methodology of previous editions of Solutions. The Solutions Third edition offers a brand new comprehensive listening program as well as word skills lessons, allowing students to master key sub listening skills, expand their vocabulary, and become confident communicators. Solutions turn all students into active learners, offering a rich variety of learning opportunities for a range of abilities through empowerment and revising activities in all components - giving everyone a sense of achievement regardless of their level.
