Lesson 3: Staff - Treble Clef Third staff lesson the music pieces teach about high key frequencies. At the beginning of each staff, there is a key and this is an introduction to the triple key. The triple key sets the benchmark on the G note on the 2nd line of triple staff. These sheets have a step-by-step instruction on how to draw a triple key. Click on the screenshot of the image on the left or bold title links above to download in PDF format. Basic theory of music: How to read, write and understand written music in alternative if you want to purchase a theory book, I I the next book of music theory. What do all these lines, twists and points mean? Basic music theory takes you through the sometimes confusing world of writing music with a clear, concise style that is at times funny and always friendly. The book is written by an experienced teacher using techniques perfected over a decade in his private teaching studio and in schools. The lessons are short, well-paced and enjoyable. Whether you are a beginner of any age, whether you are an experienced player who wants a bone on your theory, or whether you teach music and need a fun way to do so, you will find this book valuable and will reference it over and over again. Go to basic music theory: How to read, write and understand written music. What kind of sheet is this: At the beginning of each staff there is a key. The triple key (also known as the G key) looks like this: the triple key gives a benchmark on the G note on the 2nd line of high-frequency personnel. To draw the triple key, draw: the line and tail of the upper loop of the left loop of the right loop of the curl Notes are named after the first sevel of the letters of the alphabet (A through G).
