Build an impressive rail system and travel through the Nether. Avoid the soul sand, jump dicey magma and zombie pig in search of precious nether quartz mineral. Enjoy the adventures of Minecraft™ with your favorite characters and objects with this easy to reconfigure® modular LEGO® Minecraft set, designed for young fans of the hugely successful sand video game. Includes a Steve minifigure. It includes a Steve minifigure, as well as a zombie pig, a large magma cube and a small magma cube. The Nether Railway has a minecart and a curved train track with magma jump cube function. Don your diamond armor, grab your diamond pickaxe and jump aboard the minecart to ride the nether railway! Race on the track to activate the magma jump cube function. Accessory items include a spike, redstone torch and nether quartz ore. It also includes a sword. Modular design easy to reconfigure with three alternative model configurations. Free your imagination: rebuild the set for more lego ®™8 Minecraft! This set includes more than 380 pieces and offers an age-appropriate building and play experience for over 8 years old. Measures more than 1 (4 cm) tall, 11 (28cm) wide and 9 (24cm) deep. The manufacturer suggests this set for over 8 years.
