Most of them use Android Mobiles, so I prefer to share highly compressed Android games to wap5.in users. We've already put some Android games with very compressed elements like GTA San Andreas for Android high compressed to 4MB, Modern Fight 4: zero hour APK-OBB 3MB Highly compressed (only 3MB). We know that big graphics games have huge data of its approximately 1GB or 1.5GB, so we have to spend OT our internet data on them and our presious time too.... So I came to share with you heavily compressed or lightning files for you and you can extract it with other software like Unzipper, File Explorer etc....
