Reject and Visit Plain Text Site Fishing Clash is one of the best fishing games for Android. The gameplay is simple and it also features real-time multiplayer mode where you fight against other players from all over the world for trophies. In this post we have covered everything about the Fishing Clash game and share the best Fishing Clash Guide and Fishing Clash Cheats, tips to catch legendary fish, defeat enemies, and more secrets. Let's start with the Fishing Clash Guide; Fishing Clash Guide; In this part we will learn about everything in this game that you need to know. And that's important if you want to catch truly legendary fish! Why is legendary fish important? If you catch big fish or legendary fish, you can earn a huge amount of coins and pearls. And these currencies in the game are very important. Let's start the Fishing Clash Guide without wasting time. As usual, it starts with a tutorial in which you will learn about the basics of the game; how to play Fishing Clash, about bait and much more. You just tap the cast button and wait for the fish. Once you get it, you can use it as bait. Some basic things you need to know; You earn coins and EXP by catching the fish every day, you can catch 50 fish (for coins). Later, you would not coin There are four things determined the size of fish or rarity of fish or points or stars; Power-ups, bonuses, rod and bait Let's learn about everything; 1.) Power-Ups – Fishing Clash Guide There are three types of power-ups in the Fishing Clash game, used to increase the chances of getting a rare or starfish. At the beginning of the game you have a limited number of power-ups. You can earn power-ups by using the quests, collection, maps and pearls. Three power-ups; Weight Catch Chance Speed How to Use Power-Ups? Before you tap the Cast button, you must activate it. Tap a power-up on the main screen to activate it. Here's how the picture above). Why turn on power-ups? It increases the chance to get a rare, epic or legendary bait to catch big fish to catch fish faster than ever before, Catch Heavy Fish How do you get power-ups in Fishing Clash game? One of the best ways is to complete the Completing Daily Challenges quest Special packages When can you use power-ups? I think, it's enough for power-ups! Now, let's learn about the bait! 2.) Lures – Fishing Clash Guide The Bait is one of the most important items in the Fishing Clash game. The more powerful and rare bait, the better fish you get in Duel mode or normal mode, types of baits; Basic Common Epic Rare Mythical Why is bait important? It increases the chances of a better fish How do you change your bait? Just above the cast icon on the main screen, tap the current bait icon. Swipe left or right to change the bait, and then tap the delivery button. 3.) Rod – Fishing Clash At the beginning of the game you have sunset 350. To upgrade it to Pro, you need 50 beads. The Pro version of Rod helps you catch a big or legendary fish. Tap the bar icon, on the main screen, to check your current rod level and its bonuses. What is Bar Bonus? You deserve EXP by catching the fish and EXP levels on the rod. Level up unlocks new bonuses. Bonuses like; Duel bonus, yellowtail snapper and more. These bonuses are passive abilities; increase the fishing championship points. Tap the drag button next to it (under the dash menu) and drag your bonus. If it is already there, then do not draw. Save your beads in front of the Pro version of the road. 4.) Multiplayer Battle Guide In this mode, you'll compete against other players from all over the world. You earn trophies by defeating the opponent and as soon as you earn enough, you get rewards; valuable items. The very first step you have to take is to choose the best bait; Choose the best one or update it when an upgrade is available. Then you have to catch two types of fish; You can check in the upper right corner of the screen. You need to change the bait to catch a particular fish. For example, to catch Hogfish, you need Hogfish bait. To catch red snapper, you need red snapper bait. You can switch between baits by tapping the bait cards at the bottom of the screen. The player who earns more points wins. To earn more points, you need to catch the better fish. And to catch the better fish, read our Fishing Clash Cheats, Tips So is this the Fishing Clash Guide for beginners. Well, let's learn some Fishing Clash Cheats, tips to catch legendary fish. Fishing Clash Cheats, Tips #Tip 1.) Earn power-ups by completing the missions on the main screen, on the right, check the task you have to complete. Look at the task and change the after him and then poured. For example, there is a task; catch yellow-tailed snapper, then select yellowtail snapper bait from bait menu (check the instructions above). Completing a quest rewards their power-ups and bait cards. What are bait cards? These cards are used to upgrade the bait. #Tip 2.) Update the bait to win duel modes or catch big fish As mentioned above, the bait is one of the most important elements in fishing. If it is of poor quality, then you can catch a large or rare or legendary fish. So it would be better to upgrade the bait. Don't improve ordinary baits, it's waste. Upgrade rare, epic, mythical bait! You need bait cards that you can get by completing the quests. #Tip 3.) Use the power-up strategy to win Duel mode The victory in Duel mode is very important to unlock special packages. These packs contain better baits, power-ups and other items. But how to win in Duel mode in Fishing Clash game? Level-up and Train Bonus – In Rod Section Update Your Bait Use Power-Ups Don't Waste Time and Catch Until You Score a Fish with High #Tip 4.) Claim free packs and get valuable items for free There are two types of packs; Free and special packing. Special package will be unlocked if you earn a number of trophies. And the free pack is unlocked after a few hours. Don't forget to open it (at the bottom of the screen). #Tip 5.) Catch the legendary fish with this tip to catch a legendary fish; Upgrade a rare bait to its maximum level once you reach the maximum level, then take advantage of all the power-ups + Rod bonuses It is the easiest way to catch a bigger and more legendary fish in Fishing Clash game. 6. #Tip) The daily does to quickly level fill the daily challenge of catching 50 fish daily Waste you do not waste your pearls; Collect them by achieving achievements or completing a series of fish collections game duel mode, earn trophies and unlock special packs #Tip 7.) Use the codes for freebies in the upper right corner tap the menu button. This opens the menu. In the menu list, tap Gift Code. Enter the gift code and receive rewards.
