A great new feature is the dimensional cracks that lead to PVP battles between servers. Aion 2 is a full-fledged sequel to the original There won't be two different factions this time either, and you won't be locked into a one-class game. Instead, you can adapt your style of play simply by swapping between one of many different types of weapons. There are no restrictions on This leads to a brand new combat system too, which will involve sliding into your portfolio of moves. Hopefully we'll find out more about when Aion 2 will launch soon. You can find out more on the official website.
