New destinations No. 1, A1-Mevno (CEFR), A1-B2. The first course of the Mission has been taken by the Ukrainian Science Department, in a comprehensive institution. The advantage of the course lies in its modernity and logical structure. Contemporary themes and challenges aimed at developing critical thinking skills. The course has received positive feedback from teachers for having a large number of useful language learning tips and guidance on part writing. Student book, work book, online platform are represented by the student training complex. The material of the student book is clearly structured and contains 8 to 12 sections (depending on the level), 5 lessons each. Each section contains a page to check the passed material and an intercultural page. At each level there is a Grammar Handbook, Additional Grammar Practice, Song Page, Talking Activities, Steam activity, Wordlist, Irregular Verbs, Teaching Tips, a list of British and American English words and phrases, Culture Time for Ukraine (levels B1, B1, B2). The section Cultural Time for Ukraine created specifically for the Ukrainian edition of the textbook presents 4 topics related to the culture of Ukraine and Great Britain and Northern Ireland, as well as exercises for the repetition of grammatical materials. Workbook includes exercises to anchor the material that you're through for each lesson, as well as sections for repetition. The free online platform is free and available to every textbook holder. To use resources, you need to go through a simple registration procedure that requires an ISBN code that is on the back cover of each tutorial. The platform contains basic texts and dialogues from each tutorial lesson, soss-cultural audio pages, audio from the Songs section. The audio is available for interactive processing and can be downloaded. The teacher's book is specially designed for the teacher. The textbook contains copies Student book with answers, methodical recommendations for classes. Features of the course: Motivating and contemporary topics contain intercultural and inter-representation information Live dialogues represent a colloquial English Comprehensive approach to the development of all four skills Special attention is given to increasing the vocabulary grammar is presented and developed in the context of the systematic development of reading and listening skills of different communication Step-by-step recommendations for developing writing skills Tasks for the development of Critical Thinking Practical Tips for Self-Learning Sections on Repetition and Consolidation in each section of the Grammar Guide Sections on Culture and Interpresidential Sections with Web Links Songs New Destinations Level B2: New Destinations of a Series of Guides.
