Screen Shorts Call of Duty: Mobile Android App v1.0.1 Call of Duty: Mobile v1.0.1 Apk Features Updated Latest Version of ModCall duty mobile: (by tencent) - War has consistently been a favorite topic for a large number of holiday agencies. Many real war films debuted, bringing new perspectives, new perspectives on historical events. Then there are gaming corporations that get ideas from wars to create the famous blockbuster. In addition to the film, in the game Call of duty android, you can easily manage the main character and decide for yourself the fate of the fight. Famous names including the brothers in the palm series, combat discipline, name responsibility are all successful and the image of this game. One of the best FPS shooter games.Lately, Activision, owner of the call service franchise, has teamed up with China's largest game publisher Tencent Games to create a challenge of responsibility: Legends of War. This new product is a new version of this mythical franchise and has become launched exclusively for the Chinese language. This may inform Tencent electricity in addition to future improvement of this famous brand. Call of Duty mobile can be free to play rest, so you can relax confidently play on the cellular operating gadget. However, there may be some conditions to enter to play in China Ip. But it's absolutely worth it, as it offers gamers a chain of familiar photos consisting of characters, maps, modes and weapons from across the franchise. It will probably be the initiator inside in the near future on their essential cellular network. And the writer has also released major news that it will be scheduled to launch in the coming months. GameplayEven, although it is a cell model. Call of duty mobile will still offer you the most unique sports pleasure. The attitude of the first character remains in force, as you may be allowed to observe a soldier who is in combat on a full scale. Possibly a sports controller still take the familiar fashion MFi. Mfi. navigational keys and functions will vary, relying only on different occasions. The best graphics from the modern era from the unreal engine four, Activision will supply first-rate gamers with the games to enjoy on this new vacation. Call of duty apk mobile vacation will feature familiar maps inside the original series. Exquisite inexperienced and dark woods, deep bases and military device can be accessed in the game. Tanks, helicopters, bombs and the consequences of guns used in past battles will also make the battlefield an additional epic. The loud sound of bomb photos or steady shots makes neighborhood sports all the more durable. Touching memories of colleagues, brave fights and courage are as poignant as a Hollywood movie. The fervor among the characters in the team and the war of words with the opponent pushes the pace of the game up. When the conflict is over, you also Have Mght acquire beautiful human values during the battle of fire. SummryComing is up, while the game launches with a large range of game lovers through us porcelain, no doubt the goal of the new fever. Perhaps the wave of this holiday can be as strong as the cellular fashion Pubg in early 2018. In addition, they are all Ardour product for Tencent. the duty of battle will be as successful as other titles. Requirements and compatible versions for Call of Duty: Mobile v1.0.1Memory (Ram): 2 GB Cpu: 1.7 ghz get into the game (need your fake IP to India)Verified devices: Samsung S4,S5,S6,S7 and Samsung Note 4,Note 5Ou must click below to start downloading Call of Duty: Mobile free APK.
