Almost Hero - RPG - quincy quincy, quincy quincy Main characters decide to find adventures and show their best qualities. They will have to prove in practice how valiant and courageous they are, contrary to the skepticism of all their friends and acquaintances. For each murder of the pregnant man, the user receives a game currency, which is worth spending on pumping characters. First, the player is given a magic ring, which will help in the battle with weak enemies. But it will be powerless in front of more experienced opponents, so the user needs to call the next hero. The graphics here, though simple, but colorful and atmospheric. The soundtrack is made to become a visual design and helps to relax and have fun. Kinsey Promes, zenith and zenith - zenith. Bee Square Games Android 4.4 - Version: 4.1.1 $0 Almost Hero (MOD, Free Shopping) - arcade clicker with elements of role-playing game, the events of which are developing in some fairy-tale world in antiquity. The storyline also revolves around a group of 15 heroes who are rare losers. You also have to join this group of unfortunate characters to try to help them get rid of the fate of bad luck and become real heroes. To do this, you will need to perform a lot of tasks, and even so noticeably stretch your fingers. Updated to 4.1.1! Almost A Hero is an inactive RPG clicker game in which 16 of the most useless idiots go on a quest to become a little less useless idiots. They say they never give equal chances to the loser. We say: a group of deeply unique and deeply flawed people were chosen for their superiority. Heroic, noble, enlightened... Only 3 of the many words they can't spell. They will embark on an epic journey that will turn them into zeros almost as heroes. Or dead. More like the last one.
