World War II: tank clashes, naval battles, air battles. In Call of War, you rewrite the course of history! Take control of one of the mighty nations during World War II. Conquer provinces, build alliances and build your economy. Explore the top secret weapon of World War II and become one true superpower! Intelligent alliances or ruthless expansion, miracle weapons or mass attack? It's up to you which way you choose! For fans of realistic grand-strategy titles Call of War offers a huge gaming environment, a variety of different features and units to choose from. Go into matches, battle it out for a few weeks and become a rank leader in this exciting WW2 game. FEATURES✓ Up to 100 real enemies on the map✓ Units move in real time✓ Many different maps and scenarios✓ Historically accurate troops✓ Huge Tech Tree with more than 120 different units✓ Different types of terrain✓ atomic bombs and secret weapons✓ updates Regular with new content✓ Growing alliances in the huge communityJoin racing for the game's best strategy, Jump into WW2 and test yourself against real players in real time on historical maps! Enjoy the call of war? Learn more about Call of War and share your experiences with us! Facebook: war free to download and play. Some game items can also be purchased for real money. If you don't want to use this feature, please use password protection for purchases in the settings of the Google Play Store app. Today's release implements models of early war and late war for several units in Call of War! This means that units change their visuals when they reach a certain level of research! Check out our Call of War Update News in the main menu to find all the details and don't miss out on signing up for our Teams Up! event starting Friday. WORLD WAR HEROESBattle players from all over the world in a crazy World War II-era online fight! Destroy the enemy and survive vicious tank battles in the center of Berlin and other cities. Take part in team and deadly battles, plant bombs and defend them. See if you can survive hardcore mode where there is no room for error! Why you will love Heroes of World War II:★ 7 legendary war zones of World War II!★ 4 types of military equipment from the U.S., USSR, Japan and Germany!★ 6 game modes and custom games where you make your own rules!★ Work your own tank! ★ 57 unique weapons: pistols, rifles, machine guns, shotguns and more! Martial Rules:★ hardcore! ★Get ready to sweat. The weapon strikes the maximum one or two hits, and ★ you're dead. ★We're going head-to-head. The winner is the one who gets the most points by the end of the round★ Deathmatch! ★Solney! Everyone is for himself! The winner is the one who gets the most points by the end of the end Bomb mode! ★ One team plants bombs and the other team tries to stop them★ one life battle! ★ fight where players have only one life. The goal: to be the last person standing★ custom mode! ★Creed the game by your own rules! Make your own lobby with a friend and play ★★★ HUGE ARSENAL! ★★★ all kinds of new weapons will be available to help your team come out on top. Use the entire arsenal, featuring machine guns, grenades, rifles, sniper rifles, bazookas, etc. ★★★ CHEMOMENATE GRAPHIC AND OPTIMIZATION! ★★★ immersion in an online fight with clear graphics and intuitive ★★★ UPGRADE ARMOR AND WEAPONS! ★★★ Install your dream arsenal by upgrading damage and maximizing ammunition and reducing rollback and restart time★★★ DAILY REWARDS! ★★★Play every day to earn free prizes and get daily tasks and tons of free things! Complete daily tasks and upgrade your gear! The game is specially optimized for both strong and weak devices! Absolutely free to download! GOOD LUCK, SOLDIER! Our VKontakte group includes: on YouTube: New Combat Pass- New Weapon: Maxim-Tokarev Machine Gun and Mauser C96 Schnellfeuer- German Express Map Available Again for Battles-Potential The payment error fixed-news system launched-new dual-crane switching weapons added-New contracts added-minor error fix Erleben Sie noch mehr mit dem Call of Duty®: World War II Season Pass. Setzen Sie Ihre epische Reise mit 4 DLC-Packs 2018 fort, die neue Multiplayer-Maps, neue Kapitel von Nazi-zombies und neue Missionen aus dem Kriegsmodus enthalten. Enthalt auh die Karentan Bonus Card! Karentan, eine der beliebtesten Call of Duty®-Multiplayer-Maps, kehrt in Call of Duty®: World War II zur'ck. Kimpfen si sich douch die zerstrten Gebeyde y Strachen dies vom krieg gezeichneten franz'sischen Stadt ym dwell um eine strategisch wichtige Deutsche Festung.
