articles have examined financial reporting issues such as accounting for adjustments, pensions, convertible securities, share option contracts, and interim reports. Professor Weygandt is the author of accounting books and other financial reporting and is a member of the American Accounting Association, the American Institute of Certified Public Accountants, and the Wisconsin Association of Certified Public Accountants. He has served on various committees of the American Accounting Association and as an editorial board member of the Accounting Review; he also served as President and Secretary of the Treasurer of the American Accounting Association. He is the recipient of the Wisconsin Institute of CPAs Outstanding Educator award and Lifetime Achievement Award. In 2001, he received the Excellent Accounting Educator Award of the American Accounting Association. Terry D. Warfield, Ph.D. is an associate professor of accounting at the University of Wisconsin-Madison. He received B.S. and M.B.A. from Indiana University and a Ph.D. in accounting from the University of Iowa. Professor Warfield's areas of expertise are financial reporting, and before his academic career, he worked for five years in the banking industry. He served as an Academic Accounting Fellow at the Accountant General's Office at the U.S. Securities and Exchange Commission in Washington, D.C. from 1995 to 1996). The importance of professor Warfield's key research on financial accounting standards and disclosure policies. He has published an scientific article in Accounting Studies, Journal of Accounting and Economics, Research in Accounting Regulation, and Horizons Accounting, and he has served on the editorial board of the Accounting Studies, Accounting Horizon, and Issues in Accent Education. He was the President of the Accounting and Financial Reporting Section, Financial Standards Committee of the American Accounting Association (Chairman 1995-1996), and AAA-FASB Research Conference Committee. Professor Warfield received a teaching award at the University of Iowa and the University of Wisconsin, and he was named to the Academy of Teaching at the University of Wisconsin in 1995. Professor Warfield has developed and published several case studies based on his research for use in accounting classes. These cases were selected for the AICPA Professor-Practitioner Case Development Programme and were published in Issues in Accountancy Education.
