Sign up for this course, learn these cutting-edge technical analysis techniques, and start trading from home and earn additional weekly earnings today. Just click Enroll Now to get started now! If you are serious about making money online by investing in the stock market, this course is for you! If you want to create a new source of passive income, you have come to the right place! If you want to find a trading strategy that actually works, you should not ignore this rate! If you are studying technical analysis, this course will be a shortcut! This course is for everyone who wants to get rich by investing in the stock market. Rating: 4.5 out of 55 months ago I am very grateful to us for this course. This gave me the necessary knowledge of TA. I'm going to use WE courses for my next trading training. I have one note that can help improve the performance of IU: It would be very helpful to have a transcription that is prepared by an instructor rather than an automatically generated one. Because proper transcription is such an important element for non-native English speakers. (Important) Before we start!00:19As to trade Elliot Waves - Examples06:24As to trade exponential moving averages (EMA) - Examples06:34As to trade sliding average convergence divergence (MACD) - Examples06:05As trade Know of course thing - Examples05:48 How to trade parabolic stop and reverse (Parabolic SAR) - Examples07:02 How to trade Average Sent Index (ADX) - Examples09:12 How to trade Bollinger Bollinger (BB) - Examples08:03 How to trade Channels Keltner (KC) - Examples07:58 How to trade Don's channels (DC) - Examples06:43 How to trade the average true range (ATR) - Examples08:05 How to trade a relative volatility index (RVI) - Examples07:00 How to trade an oscillator (MO) 5:36 How to trade a relative strength index (RSI) - Examples07:53As to trade Stochastic Oscillator (SO) and Stoch RSI (Stoch RSI) - Examples09:53As to trade commodity channel index (CCI) - Examples07:22 How to trade on Balance Volume (OBV) Flow (CMF) - Examples06:23As to trade cash flow index (MFI) - Examples05:3400:00Bonus : Your next steps - Update your knowledge!01:4805:133 Real steps to implement a value investment strategy06:57The price is what you pay, The value is what you get05:56Supdering margin security02:40Principule 1: Understand, What You Do02:07Principule 2: Invest in Cash Rich Business01:57Principule 3: Look for businesses with low debt01:58Principule 4 : Rely on high quality management01:49Principule 5: Avoiding losses is the first priority01:47Primp. : Invest in the long term02:14Princip 7.
