START BUYING PROCESSEARN MORE Regular maintenance is necessary for each vehicle. How To The car needs maintenance and what exactly needs to be done can be found in the maintenance instructions. For basic periodic services, this should usually be performed every 2 years or after 30,000 km. Page 2 WARNING: The operation, maintenance and maintenance of a car on or off the motorway may expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known in the state of California to cause cancer and birth defects or other reproductive harm. To minimize exposure, avoid breathing exhaust fumes, do not idle the engine, except when necessary, service your car in a well-ventilated area and wear gloves or wash your hands frequently when maintaining your car. For more information, go www.P65Warnings.ca.gov/passenger-vehicle. This Owner's Guide illustrates and describes the work of features and equipment that are standard or optional on this vehicle. This guide may also include a description of features and equipment that are no longer available or have not been ordered on that vehicle. Please ignore any features and equipment described in this guide that are not on this vehicle. FCA US LLC reserves the right to make changes to the design and specifications and/or to make additions or improvements to its products without imposing any obligation to install them on previously produced products. As for any vehicles sold in Canada, the name FCA US LLC is considered remote and the name FCA Canada Inc. used in the replacement, hence. If you are a registered retail owner of your car first registered, you can get a free printed copy of the warranty booklet at 1-800-423-6343 (USA) or 1-800-387-1143 (Canada) or contact the dealer. This owner's guide is designed to introduce you to the important features of your car. Your most recent Owner Guides, Navigation/Uconnect guide and warranty booklet can be found by visiting the website on the back cover. U.S. residents can purchase replacement kits by visiting www.techauthority.com and Canadian residents can purchase replacement kits by calling 1-800-387-1143. The primary responsibility of the driver is to safely operate the vehicle. Driving while distracted can result in loss of driving, resulting in accidents and injuries. FCA US LLC strongly encourages the driver to exercise extreme caution when using any device or function that may divert their attention from the road. Use of any electrical appliances, such as cellular computers, portable radios, vehicle navigation or other devices, the driver while driving the vehicle is dangerous and can lead to a serious accident. Texting while driving is also dangerous and should never be done while the vehicle is moving. If you are unable to devote all your attention to operating the vehicle, pull over to safety and stop your car.

Some states or provinces prohibit the use of cell phones or text messages while driving. The driver is always responsible for enforcing all local laws. This owner's guide has been prepared to help you get to know your new Dodge car and provide a convenient reference source, and all the features shown in this guide can apply to your car. For more information, visit www.mopar.com (USA), www.mopar.ca (Canada) or local drunk driving is one of the most common causes of accidents. Your driving ability can be severely impaired with your blood alcohol level well below the legal minimum. If you drink, don't drive. A ride with a designated non-drunk driver, call a taxi, friend or use Driving after drinking can lead to an accident. Your perception is less edgy, your re- slower, and your judgment is impaired when you're drinking. Never drink, and then go. Page 3Regular maintenance is required for each vehicle. How often the car needs maintenance and what exactly needs to be done can be found in the maintenance instructions. For basic periodic services this usually needs to be held every 2 years or after 30,000 km.
