Starting with Animal Crossing: Wild World, the player has the opportunity to change hairstyle at Harriet's hairdresser, Shampoodle. In Animal Crossing: Wild World, the player has the opportunity to change hairstyle at Harriet's hairdresser, Shampoodle. In Animal Crossing: Wild World, Shampoodle is available inside Nukington, meaning that the player will have to unlock Nookington's before he can change his hairstyle. In Animal Crossing: City Folk, Shampoodle returns to the city and is located right down the city, down the alley. In Animal Crossing: New Leaf, Shampoodle must again be unlocked, after which it is on the right side of Main Street above Able Sisters. In all three games haircuts cost 3000 bells, and you can do only once a day. In Animal Crossing: Happy Home Designer, players are free to change their hair at any time after unlocking the styling machine. In Animal Crossing: Pocket Camp, a player can customize their hair in the tutorial and on the Settings menu. In Animal Crossing: New Horizons, players can also wear wigs in order to access additional hairstyles. Although technically considered a type of headgear, wigs will match the current color of the player's hair. Guide to the Wild World (edit) Issues: Harriet: Do you like the sun? How are you feeling? In Wild World, Harriet will offer this option only to players who have received all hairstyles of their own sex at least once. In the city of folk and new sheet, players must Haircut 15 times before the option appears, but don't need to get all the style available. In Happy Home Designer, opposing gender hairstyles will not be available during the original character creation, but can later be selected after unlocking the style (only in the English version). Both styles are available to the player while the character is created and beyond. Harriet invites the girl to try on the boy's hair. Boy, wearing a girl's hairdo in City Folk. Bed Head edit the bed head is a dirty hairstyle that appears in Animal Crossing: City Folk, New Leaf, and New Horizons. This occurs when a player has not played for 15 days or more, or time travels more than two weeks forward or backward. In games up to New Horizons, if the player does not replace his new haircut, villagers can comment on the player's hair, and it will be more difficult to pass the review of Gracie's fashion in City Folk. Harriet will also comment on this when the player gets a new haircut to replace the head of the bed will re-sign any other hairstyle, it will become the opposite sex bed head style. In New Horizons, as the hairstyle is customized with a mirror/vanity, the head of the bed as a hairstyle option when setting up the player's appearance. Unlike all standard New Leaf hairstyles, the bed head is not available in Animal Crossing: Happy Home Designer and Pocket Camp. A boy with a head bed in the city of Folk.
