Table contentNae-name border 3Packagecom.feelingtouch.zf3dPublisherFT GamesCategoryShooterVersion2.36 (Last)Size96MMOD FeaturesFlited MoneyRequiresAndroid 4.0.3Capocalyptical World of zombies has always been an endless source of inspiration for game creators. However, it's hard to find a highly addictive zombie fighting game. If you are looking forward to fierce battles, battles for survival with extreme horror, the Frontier 3 zombie is the right choice. After the success of the previous part, now this world is a real cemetery. Where life and death are extremely fragile borders. HistoryYY live in a normal life in a noisy city. You and residents who have their own lives and jobs. One day, after only one night, peaceful life suddenly became The city was peaceful for a moment filled with blood and stench. Somewhere there was a desperate groan in the terrible sounds of monsters. A deadly vaccine that turns people into zombies quickly dispersed. Catastrophe in the zombie Frontier 3 came to start the end of the world not far? You're the only one who survived the chaos. Seeing around people from relatives, friends turn into lifeless and disgusting zombies. This world is full of horror and fear. Forget that fear, your survival is the only fragile opportunity for survival on Earth. Family feelings or love are now meaningless. Anyway, don't give up on life, at least until the world repeats itself on Earth.FPS zombie gameln the zombie Frontier 3, you play as a soldier in the zombie apocalypse. Your task is to hold the gun and repel the rampaging zombies to save the survivors. First-person shooter (FPS) always brings players the most realistic experience. This is true for the frontir zombie series. The gameplay of the game is quite simple, the character moves automatically. So all you have to do is aim very well and shoot accurately. On the left, you need to slide your finger to see. On the right there are buttons for shooting and choosing weapons. You can use hand grenades or shoot adrenaline shots to save ordinary people. Since the character automatically moves, you have to perform weapons manipulations in the most accurate and effective way. Especially shots to the head. Zombie disaster Stress and suffocating battles are the most exciting point of the Frontier 3 zombies. With a number of crazy and bloodthirsty enemies, you have to fight endlessly if you don't want to be food for them. System tasks in the game are extremely diverse and up to 120 tasks. Includes 60 sniper missions, rescue hostages or destroy hordes of zombies. Specifically, you are challenged with 4 stages to defeat the Giant Bosses. To overcome the mission of the game, you really have to have a steely spirit and a quick mind to develop effective combat plans. In addition to fighting alone, you can totally team up with many other members in battle sniper missions. A number of special events regularly organized will be a place where many talented people gather all over the world. The most important thing is not to win fierce battles,

but to fulfill a noble mission with the world of mankind. You have to learn the origin and truth about the zombie vaccine, eradicate hordes of zombies to bring the world back to the city. First-person shooter weapons are often characterized by a series of impressive weapons. As well as zombie frontier 3. Experience the first look that allows you to clearly see the diversity, beauty and power of each gun. There are countless guns for you to choose under your own tactics such as rifles, sniper rifles, pistols or machine guns.... There are weapons too familiar with with as AK 47, MP5, Desert Eagle, FN Scar, ... Each type of gun has strengths and weaknesses, requiring players to know how to use and maximize their advantage over powerful enemies. Choose the right weapon and use it effectively, making your gun become a killing machine. The weapons are quite expensive. Upgrading them will help you increase the damage from each bullet and a lot of great additions. With our Frontier 3 (MOD Unlimited Money) zombies, the game gives you an unlimited amount of money and gems. You can buy and upgrade any weapon you want. It can be said that each gun is both an art, and the user is no different from the artist. So you have to use them with all your talents, enthusiasm and love. The graphics and sound of the Frontier 3 zombie has high-quality 3D graphics with realistic images that represent the upcoming apocalypse. Scenes of a gloomy sky, a blurry space are the clearest prediction of an apocalyptic period. In addition, the sound is a combination of zombie screams, desperate moans of weak people. All these elements create a panoramic world of the zombie apocalypse. MOD APK version of the zombie Frontier 3MOD featureUnlimited Money: All 3 currencies in the game are limitless from the beginning. WarningYou will not be able to enter the game with Google Play to keep progress. Thus, MOD data will only be available on installed devices and cannot be transferred to other devices. Download the zombie Frontier 3 MOD APK for AndroidIf you've ever been crazy about Call of Duty or the last day on Earth, try the Frontier 3 zombie today. Many players in the world have stepped into fierce battles with zombies. How about you? More than 10 million downloads and thousands of 5-star reviews in the App Store and Google Play in a short time is a clear confirmation of the popularity of this game.
