Dr. Tei Hong Liang passed the membership exams at the Royal College of Physicians (UK), a diploma in geriatric medicine (Singapore) and medical licensing exams from the United States in 2006, and completed the training of dermatology specialists at the National Skin Centre (Singapore) in 2009. Dr. Earle Lim received a master's degree in medicine (internal medicine) in 1997 and has been mentoring candidates through MRCP, M Med (Int Med) and MBBS, until now. He was accredited in neurology in 2000 and is currently on the neuroscience training committee in Singapore. He received a fellowship in traffic disorders at Mount Sinai Medical School in New York, and is currently an associate professor of medicine at the National University of Singapore, where he also serves as Assistant Dean for Education (Clinical, Admissions and Student Affairs). In 2005/6 and 2006/7, he was awarded the Distinguished Teaching Achievement Award, the University's Annual Teaching Achievement Award in 2006/7 and the Outstanding Educator Award in 2008. He is currently a member of the Royal College of Physicians (UK). Completely new Unused, not highlighted This book takes a medical student through the steps of a basic clinical examination. The authors, who have many years of experience coaching candidates for undergraduate and postgraduate exams, emphasize the importance of important steps and relevant signs, highlight common mistakes, and provide helpful advice to guide a student through a swamp of information that tends to trap the unmanageable. The book also takes the student through typical exam cases, providing answers to favorite examiners questions and understanding the perspective of examiners. FEATURES - Full-color Illustrations - Mnemonic Remedies scattered throughout the book Medicine Of Internal Medicine Medical Textbooks Mrcp Steps Summary: OVERVIEW This book takes a medical student through the steps of a basic clinical examination. The authors, who have many years of experience coaching candidates for undergraduate and postgraduate exams, emphasize the importance of important steps and relevant signs, highlight common mistakes, and provide helpful advice to guide a student through a swamp of information that tends to trap the unmanageable. The book also takes the student through typical exam cases, providing answers to favorite examiners questions and understanding the perspective of examiners. FEATURES -- Full-color illustrations -- Mnemonic aids scattered throughout the author's book: Dr. Tay Hong Liang passed the membership exams at the Royal College of Physicians (UK), a diploma in geriatric medicine (Singapore) and U.S. medical licensing exams in 2006 and completed his extended training in dermatology at the National Skin Skin Center 2009. Dr. Earle Lim received a master's degree in medicine (internal medicine) in 1997 and has been mentoring candidates through MRCP, M Med (Int Med) and MBBS, until now. He was accredited in neurology in 2000 and is currently on the neuroscience training committee in Singapore. He received a fellowship in traffic disorders at Mount Sinai Medical School in New York, and is currently an associate professor of medicine at the National University of Singapore, where he also serves as Assistant Dean for Education (Clinical, Admissions and Student Affairs). In 2005/6 and 2006/7, he was awarded the Distinguished Teaching Achievement Award, the University's Annual Teaching Achievement Award in 2006/7 and the Outstanding Educator Award in 2008. He is currently a member of the Royal College of Physicians (UK).
