DO YOU ALREADY HAVE AN ACCOUNT? Sign in to your existing Roblox account and play on the go! Frequently asked questions ROBLOX.1. Why can't I log in? Reset your time and zone. Check if your computer's watch is currently accurate. Oddly enough it may seem, watching your computer being a little off can lead to different issues. 2. Common communication problems and what to do. Connectivity problems:ROBLOX has problems with online games or doesn't download them, sometimes showing the player an error message (which may include messages Can't Connect or ID17 Failure). It takes a long time or never ends up downloading the screen on the website. The player can attend games in Build or Edit modes, but not in Play mode. Games randomly or consistently tell you that they have closed. What to do? Check the ROBLOX wireless connection.
