Affiliate Disclosure: As an Amazon Associate, I earn from qualified purchases. Learn more. Looking for logitech Harmony user manual? Then you'll want to bookmark this page. Over the past year and three months, I've logged dozens of hours over Harmony [and other] universal remotes. There are more than 30 reviews on this site that have what is arguably the most popular universal remote brand in the world. From the Harmony Elite to the new Express remote control to the 950, 880, 665, I found that all these remotecontrols have one thing in common. What's up? They all lack a centralized location for user manuals, installation guides, and related documents. You can find user guides and other docs online safe, but no place lists them all. And I mean all: current Active Remotes and one like the Discontinued Remotes that many customers still own. Many of the discontinued models are still available for sale on Amazon as well. Logitech User Manuals and Guides: The Big List So I Built One. And this is it. I hope you will find it as useful as I do. If you do, would you mind giving this a quick share on social media? Someone else might benefit from it, too. Thanks! P.S. There are also lots of great setup, configuration and troubleshooting info posted on YouTube videos. I'll review a ton of them and try to include what I feel are the best of the best. Without further ado is here the list! P.P.S. Do I miss a document? Please leave a comment below and I will add it.
