Download Guests can't request updates! Redsun RTS Premium is a real-time military strategy made in the best traditions of the genre. The player will be able to join the ranks of one of the three alliances, each of which has its own features. User selection will be presented with three campaign stories, as well as the possibility of PvP battles in multiplayer. To succeed, gamers need to build a base, build an army of x many different military units, participate in large-scale battles and produce useful resources for development. Andro-Mod Games Strategy Redsun RTS Premium (MOD, Unlimited Money) Redsun RTS is a prime example of the classic genre of RTS, unjustly forgotten today. In this game you directly and as you say the name of the genre, in real time control the army, build a base, plan attacks and strengthen the defense on the battlefield. At your disposal are different types of units - each with their own tasks, strengths and weaknesses. The game is made in a 2D-isometric style. Key Features:- No Donation- Almost identical to the first RTS on PC control (adjusted for touchscreen use)- 2D graphics using particle-No software restrictions on unit creation (limitation can only apply weak machines) - Multiplayer 1x1- The ability to play with a mouse using the OTG-cable system series and achievements using the Google PlayDifferences service between the paid version :- No advertising : Redsun RTS Premium - as the name suggests, the game belongs to a rather rare genre of Real-time Strategy, among other things, it is also installed in the most authentic form. Well, the classics - to build a base, to produce the resources necessary to build infrastructure and defense, and go to war with the enemy after the formation of the army. Guaranteed fun for old-school fans. Characteristics : Almost identical to the first RTS on PC control (adapted for the use of the touch screen). 2D Graphics with Used Particles : No software restrictions to create units (restrictions can only affect weak machines) - Multiplayer 1x1 - Ability to play with a mouse on OTG-cable Size: 49.69 MB Version: 1.1.61 for Android Updated: September 23, 2020 Redsun RTS Premium Mod Apk v1.0.781 Advanced Features: The game has changed for the full version! The option can install the Chinese main interface! Redsun RTS style classic RTS, unfairly strengthened in this game today. The direct plan of building an attack because of the way support, oblivion and defense, known as real-time force control, is a leading example of combat, its own functions, powers and other units. Plus

different types - with weaknesses. The game is made in a 2D isometric style. features - donat-PC control (adjusted touch screen).- Controls in 2D graphics, the software is almost identical to the first RTS without the possibility of no particles: - Can limit (units). Sensitive Machines Only) - Affiliate - Play with the USSR-Research Play Offline Mouse 1x1 service between the rows and services of the LLC Power Delivery paid version of the OTG Cable multiplayer Google PlayD using Differences If you are looking for the best strategy app/game, then The Redsun RTS Premium Apk 1.1.61 Unlimited Money is the ultimate app/game for you.
