Coins increase when wearing Archers 2 DescriptionIn the least number of users who kill time on other players - cut in archers (2) Participate in duels against Android. Despite the seeming simplicity of the gameplay, everything you will not get rid of, bad helps your luck to very difficult opponents. The development of accuracy depends on your intuition and try to defeat the enemy to hit your head first. Campaigns for one player and multiplayer, the game has two modes to offer. The campaign play in front of you is not very smart at first, artificial intelligence, you can improve your shooting skills. The fact is that players have to shoot, not look at each target charge cursor, during which it has reached a rather delicate task. If you hit the body of your opponent, he will react and who knows which side of this luck this time. In multiplayer campaign modes to give developers and competitors a few other players in their enemies. The game design is quite a lot if you change only a few monophonic archers black background and two scales of life (enemy) - on display. In addition, there is a commercial shield and other additional equipment. So we offer all the money in the Archer version on Android with 2 Hacked Download free throws. You won't refuse to use the stolen items. Archers 2 latest, game features for Android: destroy enemies with a bow before you kill it. Strike two goals in the head or torso of the opponent, killing with your hand or foot. intuitive game control. The player has improved the mechanics and the new version of the opponents. Now they draw your hands and feet, it is absolutely funny when you reach your goal.
