How many people have the chance to start over, as in completely more? If you fall off your roof, hit your head and end up in a coma like Chase did, you may get the chance. When Chase comes out of a coma, not only does he not remember falling off the roof, but he doesn't even remember his name or recognize his family members. Oh, my boy. Chase's parents and buddies on the football team, (where Chase was the star quarterback), are sure happy to have him back after he wakes up from a coma, but is anyone else happy that he's back? Why do all the children at school seem terrified of him or run the other way when he looks their way or tries to talk to them? It seems that Chase and all his football team buddies are/were real a-holes who got their kicks ashamed and bullying anyone and everyone just because they could. Oh, and destroy a lot of property too, because it was fun to destroy people's stuff and not give a shit. And as they liked to

explain, no one was going to do anything about it because they were stars of the winning football team and the owner of the school. The students, teachers and principal were all below them. The real charmers, aren't they? Chase starts going with all the bullying and pranks because he's back with his troop now and that's exactly what they're doing, but he doesn't really feel good about it. He wonders, Was I really so much of a jerk before? He can't play football because of his concussion and everyone's disbelief, ends up helping with the video club. He must have an ulterior motive, right? He pretends to like hanging out with all these nerds and losers, doesn't he? What is his plan to fuck them on everyone wonders. How is he going to make their lives miserable and sorry that they ever have it ? I loved the ending. I was cheering on Chase and all his classmates who had already been marginalized or intimidated. It was time for them to stand up and totally agree with their nerdy and awesome myself. Because they were really great. ... more summary of the book: An accident puts Chase in the hospital and takes a lot of his memory. He remembers words and skills, but he doesn't remember who people are or how he interacts with them. As he resumes his school life, he notices that some people seem to seem to he, some hate him, some avoid him. His old friends always say how different he is now - and maybe he likes himself better that way. Book review: Popular with students, this book offers talking points on cliques and choices. Chase examines his relationships with teammates, family and peers he has already bullied. When we think of the power of the viewer in bullying, Chase's circumstance reveals a pull between admiration, fear of being rejected or pariah, and a desire to do the right thing - all the considerations of the spectators. The book shows the serious effects that bullying can have, which is good to discuss and explore. Although the plot is not quite realistic, it is a story that works well for small group book clubs. Craft skillfully uses the graphic novel format to its full advantage, giving its readers a delicious and authentic cast of characters who, along with New York itself, pop off the page with dynamism and nuance. try to read CHAINED!!!!!! it was a great book to read left an impact on me, it really is and great book Chase Ambrose, star of the football team was the most feared kid at Hiawasse Middle School. Full description Love this book, I read this for a school book club and I really enjoyed it. It is not easy, however, for Chase simply to throw away his problematic past and move on to cooler decent friends fields, new skills, even a commitment to helping the elderly in a local assisted living center since he is still in possession of a stolen medal of honor that he can not remember stealing, but that his former partners in crime know he has hidden away. I'm glad you clicked on this post. Today I'm doing a book review/discussion on Gordon Korman's book Reboot. But I'm also adding something about this book - book club issues! You can use the questions at the end of the post to use in a book club, or you can use them to put your reading comprehension to the test! When you're done reading the questions, you can comment on your answers, (if you've read the book) and I'll read and respond to your comments! Let's go and start! Initial opinion, I was not sure whether or not to give this 3 or 4 stars. I decided 3. It has a very cool script, but I don't think it suits a chapter book very well. I think that could make great news. It was very slow, it didn't really have a real plot and the problem - the book just went is not where. On the other hand, the book had a lot of laugh-out-loud moments that had me hysterical! I would recommend it to any 8-10 year old who enjoyed Jeff Kinney's Diary from a Wimpy Kid series and similar books. Summary The book is essentially about a tyrant named Chase Ambrose who falls off his roof while hiding something precious (read the book to find out what it is) during the end of the summer vacation. He hit his head so hard that he had amnesia. He doesn't remember anything about his old life. Chase then returned to his school to start Grade 8. The problem is that he doesn't remember any of his so-called friends, teachers, or family. But as you know, Chase was a bully before his accident - will he go back to his former tyrant self, or will he become a nicer kid because he forgot how mean he was? Read Gordon Korman's reboot to find out! Characters: - Chase Chase is very gentle and understanding. He has a big heart and is ashamed of the size of a tyrant he was before amnesia. Joel Joel Weber is very intelligent and talented. He is never mean to anyone, no matter who they are. Shoshanna Weber Shosh is a very sassy and stubborn character. She cares a lot about her twin brother, Joel. Bear Bear was one of Chase's tyrants as friends with whom he was friends before amnesia. Rating 3/5 stars. Wrap Up Overall, I think this book was a bit slowed down, and the plot would be better in a new and not a middle-class novel. I would recommend this book to any 8-10 year old reader who enjoyed Jeff Kinney's diary of a Wimpy Kid series and similar readings. Joel Weber, Shoshanna's brother, was sent to another school because he was the target of Chase and his tyrannical friends. After Chase has amnesia, he doesn't remember any of his past bullying, so he went, he sees Shoshanna after his accident, he just smiles and waves at her. If you were Shoshanna, how would you feel if the children who bullied your twin brother would have forgotten that he was a tyrant and waved at you? 2. What are the major changes that happened to Chase's personality after amnesia? 3. What do you think of Chase joining the video club? 4. What do you think of Shoshanna's reaction to Chase becoming a member of the video club? 5. If you were Brendon Espinoza, what would you think of having Chase as your cameraman? 6. Why do you think Chase does community service for fun, even if he is no longer required to do so? 7. Why do you think Kimberly joined the video club? 8. What happened to Chase's relationship with Aaron and Bear after he returned from his incident? 9. How do you feel chase after he remembered where the little girl and blue dress memory came from? 10. How do you think Shoshanna felt after seeing evidence that Chase was trying to help Brendon and Joel in the fire extinguisher accident and not hurt them? Shop this book here!
