The zombies have been popularized in the media in recent years. Their rise to fame can be promoted with popular TV shows, movies and games today. But when it comes to zombie survival games for smartphones, there is almost no debate about what's best. Dead Trigger 2 is the second part of the series developed by Madfinger Games. The first game in the series was successful with over 10 million downloads in Google Play alone. Now, it has spawned a sequel, and it's not to be ignored either! Excited to be the best zombie killer out there? Before the Apocalypse, the world wasn't always like this. In 2012, a global pandemic occurred in an instant. He has turned billions of people into zombies and threatens to spread it even more. Medical facilities and staff have had no chance of all fighting this mysterious disease that turns people into the undead. After a couple of years, the disease spread even more, and now around there are more powerful species of zombies. Several survivors are just around who have different roles: engineer, smuggler, Gunsmith scientist, medic and you who is the main character of the game. Together you and your team create a hideout and travel to 33 other countries to try to eradicate zombies. With over 600 scenes to play, there are unlimited adrenaline pumping scenes for you to enjoy. Find a cure and give humanity back its former glory. Do you think you have what you need? The best zombie survival game Dead Trigger 2 gameplay is a combination of many other genres cohesively combined into one seamless game. There are elements of role-playing, survival, FPS, horror and zombies. And unlike other zombie games, you can move freely here to kill zombies. This gives you more flexibility and the ability to move away from the hordes of incoming zombies singing them down. And like the popular zombie games out there such as Left 4 Dead, Dead Trigger 2 also includes many different types of zombies you will fight. These boss zombies are ultra-powerful ones that can't be beaten with just regular tactics. These zombies include Rampager, Kamikaze and a radioactive scientist. Strike these zombies with a combination of powerful weapons and grenades. Try to work together to defeat these powerful freaks. The features of Dead Trigger 2 zombie games have come a long way from the simple ones that we see back in the day. In this day and age, zombies are much more realistic and the gameplay is as smooth as silk creates the impression of survival perfectly. But what exactly separates this work of art from other zombie survival games out there? Let's find out! Travel to 33 countries - In Dead Trigger 2, the mission is to eradicate zombies in every country. In this game, you will travel to 33 countries to give you a fresh new combat experience every time. In the 10 regions you will travel, you will come across Types of zombies and lots of fun! Huge arsenal of weapons - weapons are an important element in this zombie survival game. They are the main tools for killing zombies. Choose a weapon of choice from 37 different types. They all have different advantages and disadvantages. Use them wisely throughout the game! Tournaments - Dead Trigger 2 also has a tournament every week. Join and fight with players from all over the world at the Arena with custom gladiator rules every week. Think you have what it takes to take on the best? Intuitive Control - FPS games are usually hard to play in smartphones. But in recent years, game developers have always been looking for ways to improve the gameplay of FPS. Dead Trigger 2 is no exception, since the game's touch controls are smooth and reactive. If you want, you can also use a virtual joystick for console players. Global History - If you want to participate with other survivors in global history mode, you can do it! In the Global Resistance, history is influenced by every player out there. There are several missions and side quests to take part in the Great Graphics - One of the defining features of Dead Trigger 2 is the stunning graphics. Other zombie survival shooter games pale in comparison to what Dead Trigger 2 has. The graphics are what sets this apart from others, and the demands of the play space clearly reflects that. Tips for playing Dead Trigger 2 Killing zombies may seem like an easy task, but it's not. This game includes a lot of powerful zombies that are sure to kill you if you are not ready. So, in the spirit of giving, we give you these helpful tips: Aim for headshots - It's not always easy to aim for head shots, especially with running zombies. But it's always a great idea to make as they give you more gold coins for anyone. Also, zombies will probably be dead instantly once you shoot them in the head. Bring painkillers - Tighter levels bring a lot of difficulty, especially for beginners. This is why bringing together a lot of painkillers is recommended because they restore part of your health. You can even take them even before your health comes down so you can lift hp. Watch out for the glowing red skull - Sometimes you'll notice a glowing red skull icon pop-up. When you do, just walk away from the place immediately. This is because it is a sign that zombies are preparing to attack you. You will need to gather your resources and compose first and the best way to do this is to get away from the horde of zombies for a while. Gas barrels are your friends - When you are fighting mini bosses, they can be very annoying to deal with. So when you find the red gas barrels, try to shoot it if The zombie moves beside him to hurt them. It will work like a hand grenade, which is a little more powerful.
