Download THE PES 2020 Mod FIFA 14 Offline Apk Obb data for Android, with the latest players transfers, legend players, new kits and stadium. Some of you reading this post will ask why PES Mod FIFA is on Android, yes it is mod fans who designed with Pro Evolution Soccer 2020 logos and emblems, background colors and more. The FIFA 14 Mod PES 2020 Android game runs completely offline, which is similar to the FIFA 20 Mod already released on this site. Just like any other FIFA mod, this PES 20 Mod Apk offline also has a free kick-off where you can choose from the various related leagues available in the world. Career mode or manager mode just got better, despite what I tested, there is no problem with closing during the gameplay, player management is going smoothly. Also available is a tournament mode where you can play from various tournament leagues such as the Premier League, Italian leagues, World Cup, FA Cup, etc. Sponsors also pay you a virtual cash bonus for every match you win in career mode, this virtual currency can be used to purchase players during transfers and loan season. THE PES 2020 MOD FIFA 14 offline for Android has a nice graphic, new step design, wide PS4 camera, stadium banners showing different ads. The control buttons are bigger now, making it easy for you to quickly control or move players to any part of the field, control button features are available: Sprint Shoot, Pass, Throw, Switch, 2nd Challenge, Skill move. Comments or speeches are available for everyone to download in a variety of languages such as English, French, Spain, Italy and more. Player movements and skills are superb as players move quickly to score and react quickly to attack or dribble opponents before they get a chance to score. The play function works well, you can quickly reproduce how your player scored a particular goal or just see his real face. Players now have a real face with full kits just like in the real world, for example, Messi's appearance looks so real similar to the likes of Mohamed Salah, Cristiano Ronaldo and many players who you know. Full player transfers have been made and updated in PES 2020 eFootball Mod FIFA 14, i.e. the 2019/20 season player transfers, all players are there legitimate clubs.
