Fairy tail vs one piece unblocked

8/10 - 77932 votes Played 10 071 709 times No rest for Fairy Tail and One Piece heroes who are back in a new version 1.1 of this excellent combat game. 2 new characters complete an already large cast (25 characters in total). First, the quirky Donquixote Doflamingo (One Piece) joins the fight with his warm pink feather coat. He was previously one of the Shichibukai and the most influential underworld broker under the pseudonym Joker. The game also includes Makarov Dreyar (Fairy Tail), his little grandfather, several times Guild Master of the Fairy Tail Guild and one of the Ten Holy Wizards.
