APKCombo Games Sport FIFA SOCCER: GAMEPLAY BETA 13.0.05 ELECTRONIC ARTS Sep 11, 2019 (1 year ago) Get a first look at the gameplay engine new to FIFA Mobile. Take a look at the new game engine, new to FIFA Mobile! This is your chance to test, test and even provide feedback to our developers. It helps us customize our game to ensure that we are bringing the best experience possible on the field and for players around the world. Since it's a beta, please note that your progress won't be 1,000 years away or contribute to your core Ultimate Team game. Below you'll find an overview of what you can expect in beta. Thank you for your support! FIRST LOOK We're bringing you a small segment of our upcoming update that will feature exciting gameplay, more authentic and realistic graphics, and new ways to play football you love all the gameplay engine driven new to FIFA Mobile. REAL TIME PVPBattle it, head to head, in real time with competition from around the world. We bring our most requested feature to you, so get ready to challenge yourself and dominate. BUILD YOUR ULTIMATE TEAMPlay via VS Attack, 11v11 and Live Events to earn elite players for your Ultimate Team. Continue to build your OVR to conquer the field. VS ATTACKTake for exciting matches with VS Attack mode, where you will play offensive possessions against worthy opponents. This innovative level of competition kicks your football match into high gear while you aim to dominate 90-second matches. LIVE EVENTSParticipate in Live Events, which are reset every eight hours to earn elite players for your Ultimate Team.This app: Requires a permanent Internet connection (network fees can apply).
