Exact from October 12, 2020 Toytale Roleplay is a role-playing game by GiantMilkDud. It was formerly known as Tattletail RP, but at the end of 2018 it underwent a full reshuffle. Popularity Pikminator YouTuber uploaded a playthrough on the game Tattletail, where he grew up to like the game and began to make regular content around Tattlettail RP. He met GiantMilkDud shortly afterwards, and a character he played was added to the game as a way to thank Pikminator for helping the game's popularity. Maps The House (Default) Birthday (Open only during and shortly after the birthday of GMD) Dark House (Coming Soon) Dearest characters (Unlocked using eggs or gamepass) and more Easter eggs. The game can even be played as a real horror game where the player disables safety. The game gives GMD a lot of her income, and she is constantly actively working on it. She has a discord server where she chats with fans, and is guite active when it comes to playing. It also makes other games that need to be played to unlock certain characters.
