Gaming Examiner Play a game where your choices really matter and where you influence the fate of individuals, communities and entire kingdoms. Fight bloodthirsty monsters and navigate through a network of schemes, lies and political intrigues in one of the most promising games ever to come to Mac. You are Geralt of Rivia, a witch, a member of a mysterious caste of professional killer beasts created through brutal training and mutation. Witches specialize in tracking and killing monsters. Long gone are the days when animals lived near settlements in every forest and cave, and the people of the Northern Kingdoms highly appreciate witches. It is time for the slaughter of elves and dwarfs, when men compete with monsters in the evil they make, at a time when mutated witches are seen as dangerous outries, neither human nor inhuman. Amid this chaos, Geralt is drawn into a bloody conspiracy. Accused of killing the king, the witch goes on a solitary quest to clear his name and reveal the secrets of his past. GAME FEATURES: One of the best RPGs to come to Mac - award-winning stories, graphics and characters bring the gaming world to life. Brutal Fight - Exciting, tactical, dynamic combat gives you real-time control over the action and sword-fighting.
