Order was exactly right and the sandwich and drink was the same price as a fast food value meal! Awesome job! 12/08/2008 - MenuPix User tasty sandwiches and good choices in beer. But no specials on Mondays???? 10/17/2008 - MenuPix User this is a great place to just haung out. and the food is good, so it's a plus. 09/03/2008 - MenuPix User The best sandwich in the city. Hands down. cheap also and a great atmosphere. The reason you know this place is good is because the line goes out the door on a busy day, but it's worth 07/24/2008 – MenuPix User Great beer on draft. Great food. Sandwiches can be grilled so not everyone is cold and meat is wedged out to more than a third of a lb. so in regard to the other review, the sandwiches say are thin.... it's a lot of meat for one sandwich. he must be a hungry death. 05/12/2008 - Braves Nashua West Baseball Team This spot is the bomb. Excellent sandwiches. Bring the family or just go with the boys. I took my mom to it for Mother's Day. She loved it. Best kept secret in Southern NH. Very authentic place. 12/28/2007 - Searles The Garden is a great place to go. Not only are the sandwiches great (definitely going to heat up to bring out the flavor in the bread), but the HD TVs and the classic Boston sports memorabilia are wickedly cool to look at. They'll also take office orders and then they're ready when you get there. 10/14/2007 - AJ This place is all sandwiches. Kind of an unusual sports bar, with beer and just cold sandwiches. They use Boar's Head meat, which is terrific, but they make the sandwiches very thin. I did a little hungry feeling. If they beefed up the meat and fillings, the food would be a 10. 04/24/2007 - MenuPix User A Nice Little Restaurant. The food is very good and we were pleasantly surprised when we stumbled upon this gem Main Street!
