Pampered chef manual food chopper

Best Reviews Best Reviews The image is not available for TheLor: Home session time out One of our most popular kitchen tools, Food Chopper does a quick job of chopping vegetables, cooked meat and nuts in seconds. It's a solution for chopping onions without tears! It is equipped with a unique stainless steel blade that rotates with each piston press for consistent results. The more you press the piston, the thinner the chop. Details91/4 height.31/4 diameter. The plunger has a soft top to make the chopping comfortable. The flexible lid doubles as a cover for storing and shredding the surface in small quantities. The clear design allows you to look during the chop. It's easy to understand. The dishwasher is safe. Five-year warranty. Find a party or find a consultant or just a store you won't be connected to a party or consultant. You won't be affiliated with the party. The content goes here. Home-session time-out Our hand-held kitchen processor can take care of almost all of your chopping and chopping needs without the need for an outlet. Just add the ingredients to the bowl and pump the handle for a quick salsa, drop, cookie dough, baby food, tapenade. The more you pump, the better it cuts! And when you're done, handle the locks into the lid for easy storage in the cupboards. Product details51/2 diameter. 3 cups. Includes cover with pump handle, bowl, blade post, and storage cover. The pump locks down for easy storage. Like a CleanStorage cover, a bowl, and a dishwasher-safe blade. Lid is handwashing only. Don't get into the water. Read more about this in more detail about usage and care. Guarantee Five years guarantee of non-commercial use. Check your sales receipt for more information. Find a party or find a consultant or just a store you won't be connected to a party or consultant. You won't be affiliated with the party. The content goes here.
