Content Index Video: Phrasal verbs 1 Vvet the correct form of verb in the field. Care grow watch do put a run set switch Look at these examples to see how phrasal verbs are used. It's a uniform. Please can you fill it? Why are you making that argument now? Police are investigating the links between the two offences. We have to find a solution. Try this exercise to test your grammar. Grammar test 1 Separate and unshakable verbs: Grammar test 1 Read the explanation to learn more. Grammatical explanations of phrasal verbs are very common in English, especially in more informal contexts. They consist of a verb and a particle, and sometimes two particles. The particle often changes the meaning of the verb. I called Jen to find out how she was. They called a meeting. From the point of view of word order, there are two main types of phrasal verb: separate and inseparable. Separately from disparate phrase verbs, verbs and particles can be apart or together. They called a meeting. ORThey've canceled the meeting. However, individual phrasal verbs should be separated when using a pronoun. Meeting? They called him. Here are some common individual phrasal verbs: I didn't want to bring the situation to the meeting. Please fill out this form? (fill and write information in form or document) I'll pick you up from the station at 8pm (pick up and pick up someone in a car or other vehicle to take them somewhere) She turned work down because she didn't want to move to Glasgow. (refuse - do not accept the offer) Inseparable some phrasal verbs cannot be separated. Who looks after a child when you're at work? Even when there is a promise, the verb and the particles stay together. Who looks after her when you're at work? Here are some common non-dissociational verbs: I came across your email while I was cleaning my inbox. The caterpillar has turned into a beautiful butterfly. It was a pretty big operation. It took a few months to get over it and feel normal again. (get over and recover from something) We know about the problem and are looking for it. Some verbs are inseparable simply because they don't accept an object. I got up at 7 a.m. With two particles, phrasal verbs with two particles are also inseparable. Even if you use a pronoun, you put it after the particles. Who came up with this idea? Let's get rid of these old magazines to make places. I really didn't get away with my half-brother when I was a teenager. (get with th, how to be friendly towards someone) Can you hear that noise all I don't know how you put up with this. (to put up with and endure something difficult or annoying) Concert on Friday. I'm really looking forward to it. (looking forward to being happy and excited about something that will happen) Do this exercise to test the grammar again.
