Play Age of War Unblocked on Funblocked!

We only have fun and unlocked games for free to play at school. You don't need to install plugins. Mark us and have fun! Age of War Unblocked is an entertaining game to play. You can also play this game at school for free. In this game, your goal will be to eliminate your enemies using your units. You'll also use these units to defend your own base because your enemy will keep trying to destroy you, so get ready! You can make use of your mouse to play this game. In this game, as mentioned above, you will need army units to attack and defend. And to buy these units, gold will be required. You will win this gold after winning each fight against your enemy. You also get some experience points at the end. When you reach a certain number of experience points, then you will be able to advance to the new era, and you will also be able to improve your world to a whole new era. In this game, there will be five ages in total. And make sure you win every age to win the whole war. Age Of War 2 is the second version of the popular strategy game in which you have to fly through the ages and upgrade your army and weapons to win the battle. Both players start from the cave era and have only one mission: gain enough experience to move on to the next age and get better weapons. The player's main mission is to destroy the enemy's cave, but at the same time secure his own. Age Of War 2 is an awesome game and I'm sure you'll spend a great time playing in Funblocked.Games Age of War unblocked is a strategy fighting game that revolves around making units to demolish the enemy base before the PC opponent can destroy your base. As you play the game and destroy your opponent's units, you add experience points that can propel you into the next era. Each Age speaks of a period of time narrated from the Stone Age to a modern era after our present time. Each Age reaches its own units and base upgrades. Go through five stages of humanity and fight your enemies. Train your soldiers and protect your belongings. If you've accumulated enough experience points, you can go up to the next level by clicking on a star. Use your mouse to make your army. The Age of War unblocked is a great defense, strategy and reflection game in which you have to face a commando that tries to destroy your castle in five different eras (from prehistory to the future). Age of War Unblocked (A War Game): The objective of the game is to survive by destroying the opponent's base while protecting yours. This ends up sending units in a straight level line against the other. units that automatically advance towards the enemy, and upgrade your base to make sure you protect yourself against the opponent's units. Age of War Difficulties When you start a new game, you can choose one of the Difficulty: Game War Ages The game is divided into five ages from the Stone Age to the future. Here are the following: Stone Age Medieval Age Renaissance Age Modern Age Future Age Stone Age The Stone Age is the first time in both Age of War games. The base of the Stone Age is a lot of rocks. It's the beginning of all Age of War games, however, it's the weakest era of all time. Units Club Man Slingshot Man Dino Rider Age Turrets Rock Slingshot Egg Automatic Primitive Catapult Evolution Medieval Age Is a medieval age is a transformative age that shows up in all Age of War and The Wars games. This is based on the medieval period from the 5th to the 15th century in all competitions. Soldiers of the Medieval Age Turrets Age Catapult Fire Catapult Oil Evolution Renaissance Age The Age of Renaissance in the first game is based on Dutch or French armies. Soldiers Hurt Musketeer Cannoneer Turrets of the Small Age Cannon Grand Explosive Cannon Canyon Evolution Modern Age The Age of Weapons and Evolutionary Equipment. Soldiers Infantry Corps Infantry Tank Turrets Machine Gun Launcher Double Machine Gun Evolution Future Age The Future Age is the final age of the Age of War series, and is based on future weapons, soldiers and equipment. Soldiers Sword Blaster War Machine Super Soldier Turrets Plasma Cannon Laser Ion Cannon Evolution How to Play? To play, simply use the toolbar at the top to generate units, build or sell turrets, or make more turret points. Once you've earned enough participation, you can progress to the next age. This gives you another variety of units to buy with gold and expands the gold collected from overcoming enemy units.
