ELECTRONIC ARTS Android 4.2 - Version: 13.1.15 \$0 FIFA Soccer - choose your football club and go through interesting training sessions in which you will learn to score goals, kick penalties and give assists correctly. In the game world you will need to take important moments to win matches and go to the world league. Updated at 13.1.15! FIFA Football play head-to-head with friends, build your Ultimate Team, join the league or turn real world football action into a rewards game with Adidas GMR! Create your Ultimate Team™, train any player to be a superstar, and then join the league or play through more than 650 events in all new World Tour events. Take part in UEFA Champions League competitions to win awards or climb the leaders of weekly and monthly football events, including El Clasico and other top derbies. Whether it's fighting against your friends or taking on the likes of Manchester City and Real Madrid, the game in the world has been taken to a whole new level. Follow us @eafamobile Twitter to stay up-to-date and participate in the conversation. **PLAY HEAD TO HEAD VS YOUR FRIENDS** For the first time in FIFA Mobile, you can challenge your friends in real-time 11v11 gameplay. Create your friends list in the game and track your head-to-head record for the current bragging rights. The field is about to be personal. **BUILD YOUR ULTIMATE TEAM™** Start building your Ultimate Team using any player from the Premier League, La Liga, Ligue 1, Bundesliga, Serie A, MLS and more, and then train any player to be a superstar. Form your squad using players from the same country, league or team to increase their chemistry and take your Starting 11 to the top of the leaderboard. **ALL-NEW REWARDING COMPETITION** Play head-to-head in VS Attack or full 11v11 matches to earn valuable tiered rewards based on weekly and monthly performance. Win, climb the division, and earn more rewards as you get to the top of the leaderboard. Qualify for THE VS Attack tournaments for your shot in the Milestone tournament and the Top 100 awards. **UEFA CHAMPIONS LEAGUE** Challenge rivals in the biggest club competitions in the world - the UEFA Champions League and the UEFA Europa League. Take part in playable Live Events that match real tournaments throughout the season to earn special UCL and UEL Players. **PLAY CONNECTED WITH ADIDAS GMR** Pass, sprint, shooting - all of which matter in EA SPORTS™ FIFA Mobile when you play connected. We partnered with adidas and Jacquard™ Google to create a GMR that changes the rules of the insole. Slip it into any Adidas football boot or any shoe and complete challenges in the real world to lift your team's OVR into the game. Breeze through challenges, unlock skills boosts, and own bragging rights. Only with adidas GMR and only in FIFA. Currently, adidas GMR is only available in the following regions: Australia, Austria, Belgium, Canada, Czech Republic, Denmark, Finland, France, Germany, Greece, Italy, Ireland, Japan, Netherlands, New ealand, Norway, Poland, Portugal, Slovakia, Spain, Sweden, Switzerland, Turkey, UNITED Kingdom, US. **Important Consumer Information.** This app: Requires the adoption of an EA user agreement. EA can remove online features after 30 days' notice posted ea.com/service-updates. FIFA Soccer (also known as FIFA Mobile) is a new version of the classic FIFA for the 2018-2019 season. This brings you a new design focused on making the most of the mobile gaming experience. This edition offers a new gameplay that you can learn by going through a tutorial that touches on all new features. In addition to the new gameplay, FIFA Mobile also offers tons of new content that allows you to enjoy hours of football, either alone or with other players. One of the things that stands out in FIFA Soccer is the attack mode where you can play take turns matches against other users around the world. 30 different leagues and the ability to play in cooperation mode are just a few of the strengths of this version. Thanks to these new features, you can enjoy FIFA like you have never before. Although FIFA Soccer does not include career mode, it has a season mode where you can try to get your team to the top of the scoreboard in any of the 30 available leagues. In addition, there is a new system that can help keep you updated on everything that is going on in the world of football and you can enjoy tons of mini-games that will help you improve and expand your list. Try a new way to play football on your smartphone with FIFA Soccer. **FIFA Football Apk Download - Official FIFA Game 13.1.06 - FIFA Mobile Football** is a football game developed by EA Sports that you can play on your Android devices. Create a team and feel free to do your best to make it a success. FIFA Mobile Football It was specially designed for you to be under 100MB. FIFA Ultimate Team Add Your Favorite Footballers to your squad by playing mod, determine what you wear and defeat your opponents. If you are not an engineer squad correctly, your team will have a good chance of success. Share this excitement with more than 30 leagues, 650 licensed teams and 17 Real footballers. You will have a genuine mobile football experience. Android Version Required: 4.0 FIFA Mobile Mobile 13.1.06 APK for Android Android fifa 2020 football game apk. fifa 2020 football game apk download
