Our company condenne offers a unique and warm atmosphere that is comforting for the experienced hunter and encouraging for beginners. Our excellent lodge staff and guides work hard to make your stay comfortable and memorable. When you walk in through the door, we treat you like family. Many hunters come back year after year to enjoy the great hospitality of the South and have become very close friends. As a North Carolina native, I've led hunters for the last 30 years. This allowed me to hunt and track down the large number of white tail, bear, pig and turkey in this area. The chances of picking a white tail, bear, pig or turkey are excellent. Here at the Buffalo Creek Guide Service our hard work and knowledge of the game in this area along with your desire and shooting skills can turn your dreams into reality.
