The Help Center important update 2021 EXAM INFORMATION AP exams covers full content in each course, giving students the opportunity to get college credit and placement. Given the uncertainties of the 2020-21 school year, some students may not feel confident about participating in AP exams in May. So that students feel comfortable enrolling by the autumn deadline, this year there will be no charge whatsoever if a student decides to take the test or cancel their exams. Every AP student should keep their options open by signing up for the exam on time because there will still be a \$40 fee for late orders. See the latest information about the test. AP questions and year-over-year AP practice exams and past exam questions are available at the AP Classroom Question Bank. Personal progress checks are also available to ensure your students build mastery of content and skills. The progress dashboard highlights progress for each student and class throughout the unit. Entering AP Classroom AP Macroeconomics exam day AP macroeconomic test includes two parts. The first part consists of 60 multi-choice questions.
