The metamorphosis crossword puzzle answers

Crossword puzzles are a traditional part of many daily newspapers. Since 1913, when Arthur Wynne published the first crossword in the New York World, puzzles around the world have delighted in these head-scratching games [source: Short History of Crossword]. And there's more to crossword than fun: some studies have shown that regularly solving puzzles like crosswords or Sudoku can help improve your memory, and may even reduce mental decline in the elderly [source: Christie]. Crossword puzzles are also a great way to improve your vocabulary and general knowledge. Some crosswords are simple, but some certainly aren't. The famous Sunday crossword of the New York Times is one of the hardest out there, and it's not for the faint of heart. But don't despair - there are plenty of tricks out there that can help turn you into a puzzle master. Remember, the harder the puzzle, the more satisfying it is when you fill in that final square. When you nail it, you can work on other aspects of your game, confident you'll be able to produce more consistent swings. Without it, accurate shots will be few and far between. When your left hand grips your club correctly, it should completely cover the end of the club. The wrist should be on top of the grip of the club. You may have the most natural grip in the world, but if it's not aligned with the club face, you won't get a good shot. Before you address the ball, look down the length of your club to make sure your grip and the club face is in proper alignment. This way, when you keep the club, the face is square with the ball. [source: LearnAboutGolf.com] If you grip your club with your palms, your elbows will tell you. A correct golf gripe leads to straight lines along your arms. If your elbows are bent, your palms do too much work, and your arms won't extend properly into your swing, meaning less speed [source: Easy2Technologies.com]. A clue will always be written in the same part of speech as the answer. Check clues asking for answers ending in S, ED, EST, or ING. Often these endings can be marked in (but not always). Checking the cruisers of these responses can help verify whether the end applies. For example, if both the ear and down clue are plural for two answers that cross on the last letter, chances are the letter is 'S'. Foreign words will be flagged directly, Friend: Fr. = AMI or indirectly, Friend, in France. Shortened responses are indicated directly, Whistlestop (Abbr.) = STA or with an abbreviated word as part of the clue, RR stop = STA. These cluing conventions are the accepted norm for American-style puzzles.
