preinscription.coriane@ens-lyon.fr. 3 - Download documents required for registration To collect documents listed in the profile sheets available in the Constitution tab before school; download and complete them before downloading them (recommended PDF format) when you pre-register on Coriander.4 - Register the Constitution File - Administrative Registration All downloaded documents will be verified. If your file is complete and compatible, you will receive an email to pay your registration fees (unless you are a fellow). Only after the registration fee is set, you will receive a registration certificate and the procedure of access to your login account.5 - Educational registration will be made in the second stage. Instructions will be communicated once your entry is complete. To register administratively with ENS in Lyon, you must compile a file consisting of all administrative documents that are expected to be uploaded to the Coriandre pre-registration site. For the first time, pre-registration will be closed at midnight (Paris time) on September 10. Depending on your profile, download a handy sheet that touches you before you print it out. You'll find a list of all the steps you need to take and the pre-registration documents. Blue-written documents can be downloaded from the list below. Master's degree: 243 euros in master's or second master's degree at ENS lyon: 159 euros with a diploma ENS lyon: 213 euros in a diploma ENS in Lyon: 71 euros for preparation for aggregation (excluding registration in Master FEADP): 243 euros in Prep'A: 213 euros for a credit card. This mode should be preferred. Only allows the sprawl to triple with the first third should immediately, the second third intervention on the 15th of the following month and the last third on the 15th of the following month. The last third must be paid by December 15. After this period, online payment will not be allowed 3 times. Check: in this case, it is recommended to send a check with a report on the registration of coriander. If the check is not in the student's name, include their name and surname on the back of the pencil. In this case, you will have to wait for an email from the Research and Schooling Department, inviting you to go and pay at the accountancy agency's cash register. You will appear with an email that will indicate the amount that will be paid. Translation (conditionally): this payment method is reserved for specific cases. You can't pretend you're doing this. Potential risk of fraud We have been informed by the authorities that phishing attempts are potentially underway. The latter are intended, in particular, for students who enter higher education through mailings or fraudulent letters accompanied by notifications of falsified amounts to be paid. In addition, we recommend that you be careful with the use of email and the Internet: -----on your email, always be sure to identify the sender before opening the message, check the links in the emails before clicking. ---gt; On your browser, download only from reliable sites, and in the case of online payments be sure to check the reliability of the site. The slightest anomaly should alert you. If in doubt, be sure to call your subscriber to check the amounts. Below are 5 registration steps for students already enrolled in Sciences Po Lyon: IMPORTANT: In order to start registration, you must pay for CVEC here from May 4, 2020: the number required for your registration will be given to you.
