The Torch and its surroundings are based on massive systems of caves and dungeons and are attractions for all adventurers and explorers... More Win Mac 360 Eternity Warriors 2 takes you to the world of North Strike, where after 100 years, the Demons are reborn again. After consolidating their demonic forces and great alliances, the Demons plan a major attack on the world of North Strike. The Warriors of Eternity have kept the Demons in the bay for more than 100 years, but now they fail by the second. Knowing about the towers that demons build, your land again calls you the Warrior of Eternity and challenges you to cleanse the earth of these demonic towers. You have to stand up, gather your courage and go hunting for demons and save the world from massive damage. Involve yourself in epic PvP and PvE fights, crawl through countless dungeons, fight massive demon infestation, kill these demons in amazing Middle Boy attacks. With amazingly well-written history, engaging games and stunning visuals, Eternity Warriors 2 offers the action action packed and immersive experience ever. Real-time fights, dozens of different types of enemies, online Co-op multiplayer support and special skills, cool weapons, and loot are the most notable features of this brilliant action, RPG and Hack and Slash video games. Diablo Immortal is a role-playing, hack-and-slash and multiplayer video game developed by Blizzard Entertainment for mobile devices. It mainly deals with elements of MMO and Action, and it acts as part of the Diablo video game series designed for mobile phones. However, it offers fast-paced gameplay taking place between the events of Diablo II and Diablo II, and it borrows the feel and appearance of later releases. In the game, the player can aim by holding a featured button, and there are six different classes of characters such as Necromancer, Monk, Wizard, Barbarian, and more. Each class of characters has four abilities that differ in all classes. The game starts with the player selecting his one of the six classes and then move into a fantasy-themed world where he has to fight against enemies and defeat them to pick up their dropped points. During the gameplay, the player can join groups to play dynamic events. With exciting gameplay, cool visuals and superb mechanics, Diablo Immortal is a good game. Shin Megami Tensei is an action adventure, RPG and post-apocalyptic environment based on the video game Atlus. Released back in 1992, the game allows you to explore countless dungeons in the first person and in epic battles against demons, make allies with online friends and and A wonderful strategy and tactics based on the game. With worldwide fame and a huge player base, Shin Megami Tensei is one of the best RPG games to date. The game is set in the post-modern city of Tokyo and allows yo to be an unnamed hero. According to the storyline, a rift opens up that connects this world with another and demons occupied the city. As the main character, now your duty is to fight the enemies and save Tokyo. Shin megami Tensei offers a variety of fantastic game characters called Heroes, and allows you to choose any of the female characters, lead a powerful resistance to the demons, defeat them all and save Tokyo from the threat of extinction. With a brilliant game storyline, immersive gameplay and beautiful visuals Shin Megami Tensei is one cool video game to play and enjoy. Juggernaut: Revenge of Sovering is another great alternative to the Infinity Blade, designed and published by Appular. This adventure, combat and RPG game has stunningly amazing 3D graphics, a really great storyline and game. The story of the game tells us about the world of Haradan, the territory of the most horrible and evil creatures, named as Sovering. Sowering occupied the world of Haradan after the killing of the natives, and they settled there. The main character is one of the remaining natives and he wants to reclaim his homeland from Sovering. To make his dream real, he goes to the country of Haradan and gets indulged in epic and heavy fights and melee with Soverings. In the end, he defeats Sovering and frees geradan from their foul dominance. This game is definitely a great alternative to Infinity Blade. Try it and you'll feel the difference. Juggernaut: Revenge Sovering is available for playback on Android and iOS. The zombie dead: Call of Saver is an action, first-person shooter, and eponymous video game developed and published Friday by the zombie killer for Android. The game takes place in a zombie apocalyptic themed world, where you take on the role of a zombie sniper in order to eliminate all the zombies coming to you. The ultimate job is to smash all the zombies in the arena and save the remaining nations to become a hero. It has four complex modes such as Story, Mission, Infinite, and Survival. During the gameplay, you can participate in intense FPS action gameplay where you will encounter a brutal bloodthirsty zombie with one task to bite you. You as a hero must explore the environment from a first-person point of view, use a huge arsenal of weapons, and kill as many zombies as possible to score the best points while unlocking further levels. The game brings console quality graphics and allows you to use melee and weapons to shoot zombies. Zombie Dead: The rescue call includes the core such as first-person actions, survival as much time as possible, score the best points, unlock further content, and more. Try it and you'll love it. Westland Survival is an Adventure video game, role-playing game and one-character video game Survival developed and published by Hello Games. The game takes place in the thematic world of the Wild West, where the player takes on the role of a cowboy must survive as long as possible to become the rule of law. Playing the game, the player must manipulate the life of the Lone Star Ranger and participate in battles against robbers, as well as trade with American natives.
