Infinite campus marietta city schools ohio

There are no district announcements. To check grades, tracking, etc., you can log on to Infinite Campus. Username: Student ID number (lunch/breakfast number) Password: First initial, middle initial, and then your date of birth (without uppercase letters, no dashes, no slashes, no spaces, etc...) Example: Susie Ann Ross Date of birth: 25/03/2009 Username: 123456 (lunch/ breakfast number) Password: sar032509To log in under your child's account, the Username will be your child's student ID number. (This is the same number your child uses in the dining room.) Password will be your child's first, middle and last name initials and date of birth. The date of birth must be in the following format 00/00/00. Single-digit months of birth and days of birth must include an initial zero. For example, if John Doe was born on January 1, 2001, his password would be jd010101. All parents with students in grades K-12 should confirm their contact details on Infinite Campus, including their preferred email addresses and phone numbers, before the start of each school year. If you already have a parent portal account to confirm and update your information, click the purple Access Campus Parent button at the top of this page and sign in to your account. If any family, household, or student demographics are incorrect, click Update, type the appropriate information, and click Submit Update. If you don't see an Update button, you're on a student account. You can't make updates from within a student account. You must be on your parent's account. If you're in your parent account, your name will appear in the upper-right corner of the page. After you submit your update, you'll receive a message in your Infinite Campus inbox after the data is corrected. Note that these updates may take several days to verify and approve, so we recommend that you start this process immediately. The three main sections that parents should check are Household Information, Family Members, and Contact Preferences. Contact preferences indicate how to communicate with (email, mobile phone, text) for specific types of messages (participation, emergency messages, general messages.) If you don't want to receive messages on a specific device/e-mail message, uncheck that device. Note if certain preferences are not selected, you may not receive messages. If multiple phone numbers and e-mail addresses are selected, you may receive the same message on multiple devices/accounts. If you don't have an activated account (or if you've forgotten your password) If you haven't activated your Infinite Campus account (or forgotten your password), you need to activate it to ensure you receive communication from Pickerington Schools. To activate a parent account, click the Infinite Campus Help Desk Ticket button at this page and fill in the request of the help desk. Your account will be activated as soon as possible by the staff of the Pickerington School Technology Department. Your username and password will be sent to you by e-mail, along with other information necessary to create an account. With this information, you will connect through the native portal by clicking on the orange Infinite Campus link, located in the upper right corner of the area's website. Student accounts: Once portal accounts are created, students will see information about themselves only. Parents will see information about all students they refer to as guardians. Only parents can update information. thecareercenter.net Washington County Career CenterNo matter what you love, there's something for everyone here.
