CL (singer) mile 22

Culture see the latest trailer here. By Teresa Lam August 2, 2018 5,089 The Hepas Queen K Pop CL is venturing into the actress with her appearance in this year's upcoming action romance, Mail 22. Ibrnit Mark Wehtsa, who plays James Silva, a CIA officer, is such a silva that he goes on a mission to smuggle an intelligence asset that is a degree of information that is scary outside the country. For this interesting Hollywood debut, the former 2NE1 star reportedly played a ruthless killer named Queen for the organization. The Korean idol took to her Instagram account to share a splash from the movie earlier this week, which sees her in a sleek, black suit and a low-ponial dress to go to her, statement eye makeup. With The Mile 22 hit the silver screen on August 17, catch your first glimpse into the movie by watching her latest and final trailer above. 2018 has been a beautiful year for CL so far. In addition to participating in the production of Mile 22, the 27-year-old megastar gave a perfectly memorable performance in February during the 2018 Pyeongchang Winter Olympics closing ceremony. When we wait patiently for his next step — hopefully new music soon — watching him learn everything about CL's favorite things in life through 73 Questions Video.
