Download Guests can't request updates! Angry Gran Run - Running Game - another fun game in which the main character talks to his grandmother. She tries to escape from a psychiatric hospital, and the player has to help her in this. The gameplay is not much different from the typical representatives of the genre. Users need time to jump over obstacles and slide under them, turn and collect coins. The main feature of the project is the crazy atmosphere. Since the main character is not all right with his head, it would seem that on the road as obstacles will make aliens and other unrealistic creatures. There will be quite mundane obstacles in the form of cars. He ran out into the street, knocking down spectators and earning extra bonuses. The game has good graphics, a fun soundtrack and the ability to update the features and change the look of the old woman. Angry Gran Run - a good representative of the genre, which can help pass the time.
