On the one hand because it has a game and a game reminiscent of genre titles, such as Sonic. On the other hand, because the aesthetic is reminiscent of the cartoons of the 1930s that made famous studios such as Fleischer and Walt Disney. An attractive classic platforms in all respects The story is about two brothers, Cuphead and Mugman, who must advance in front of different creatures in order to solve scores with the devil. The action takes place in 2D, shoot up types, and you can collect different powers. It is worth playing for the quality of the images, the design and the animations. The game gained great recognition from critics, precisely for its graphic style and for the difficulty it presented. Released in 2017, it has sold millions of copies worldwide that has led to the announcement of a second part that will be released sometime in 2019.
