Tafsir Jalalaine Koran Bangla (TafsirJalquran Koran) is a famous tafsir originally written in Urdu. In this app it is translated into Bangla for Bengali Islamic readers. So there is no substitute for reading al-Koran with Bengali accents and translations to study Islam. So you have to read the Koran in Bengali, you have to understand. The Koran is not only a reading of the Koran, it is a message of leadership, not understanding the Koran without meaning, it is not a message of mind! Not Bengali stories or children's stories, stories, poetry, songs. So you have to read the Koran with Tafsy. Among the Bengali Sahasafs found, this is the most ibn Kaishi. Other Korans in Tafsir include Tafsir's Fi Gillil Koran, Tafimul If you want to study the scriptures of Fiqh, then you should be in this tafsir. Indeed, teach children through the Koran, various teachings of Al Hadith's book and the stories of the Hadith. In addition, tell them the biography of Sahabi, the biography of Sahababad, the biography of Sahhabad, the name of Sahaaba, Hayatus Sahab/Hekaaf Sahab, the women's Sahabi, the life story of Ashab Rasool, etc., and the mind of the people will become Islamic. If we see the history of the Prophet Rasool/ The biography of the prophets, how much they have established Islam as a victim, a biography of Adam, or the history of Moses. The greatest proof is the biography of our Prophet Muhammad. So you have to read Rasul's biography with all the suras of the Koran. Islam is our business. The Sharif Koran is one of the pillars of Islam. So we have to read the Al Koran with bangla meaning (al Koran with bangla translation). The Koran majeed is the source of the guide. The correct knowledge of Islam can be obtained by reading the Kuran 30 pair of bangla (al Koran with bangla tafsir) from the book al Koran Bangla uccharon. This app contains the famous tafseer ibn kaseer in Bangla full 18 part. Among all the tafsir al Koran bangla is one of the true tafsir in the history of Islam, except tafsir maariful Koran bangla, Tafimul Koran, Tafsir jalalain bangla, etc. One of the four sources of sharia is the life of the prophet. There are many hadith books in Bangla, and al-Hadith Arabic to bangla translated and Hadidbd. If you want to learn the Koran tafeer read a lot of hadish books. Indeed, al hadith (hadith) bangla can make your mind soft. Tell your child about Sahab or Saabi's life story bangla to sharpen your Islamic knowledge. Because hayatus sahaba is a noble creature on earth. Name them after the name of the Saabi. May Allah give us all guidance.
