Back of the war - zenith, zenith and zenith. Throughout the course of an exciting campaign, the user is waiting for a meeting with the most unthinkable enemies. To defeat them you will need to use all their opportunities. At the same time, here Roman soldiers can fight shoulder to shoulder with modern special forces soldiers, and catapults are able to destroy tanks. Applying all the resources and competent tactics will help to conquer the whole world and become its master. Description: Back Wars is a fun strategy with an original setup. One day the god of war was tired and bored, and he decided to make a small mess in the continuum of time. Now tanks run through medieval Japan, space marines operate in ancient Persia, Mayan Indians hunt for well-prepared special forces in the jungle and so on. Gamers will be able to manage either the squad at once, or one unit, which is both more interesting. When the army travels back in time to rule the world 1,000 years ahead, they get more than they negotiated with their primitive counterparts! Lead the resistance with hundreds of warriors from different cultures around the world. Focus on the person or not to return to command the whole At hand. The combination of a leading global strategy with Battles, this game offers the best of both worlds! In this game you can change which team member you control at any time, either by tapping the health meter or literally pointing them on the battlefield. By tapping the arrows at the bottom of the screen, you can also activate Commander mode where you step back and direct an active member of your command, just gliding from their location to another. Supported Android (4.0 and UP) Supports Android Version: - Ice Cream Sandwich (4.0-4.0.4) - Jelly Bean (4.1-4.3.1) - KitKat (4.4-4.4.4) - Lollipop (5.0-5.5.4) - Lollipop (5.0-5.5.4. 0.2) - Marshmallow (6.0 - 6.0.1) - Nougat (7.0 - 7.1.1) - Oreo (8.0-8.1) Wars Back - it's action, developed by MDickie, which has a lot in common with other names of the same developer, but with a slightly different approach. In this game, you will find an army that has traveled through time to conquer the world... but the army faced unexpected resistance. The controls in Back Wars are identical to other MDickie games, with a directional keyboard to the left of the screen and all the action buttons on the right. As always, you can attack, capture, pick up items, use weapons and so on. One of the most interesting parts of Back Wars is that each area of the map will give you the opportunity to play different characters - be sure to explore the entire map so you can experience each one. By clicking on the button in the top left corner of the screen, you can switch between the available characters. Back Wars is a chaotic, colossal and fun action game. During the game, you can control a variety of different characters (many of them can be learned from old tv series or movies) and use dozens of different weapons: from bottles or batons to machine guns or bows.
