Alejandro Jodorowsky's synopsisPoiti unabashed poetry depicts the youthful adult life of Alejandro Jodorowski, established in the 1940s and 50s, in the electric capital of Santiago. There he decides to become a poet and introduces fate into the advanced bohemian and artistic circle of the time. He meets Enrique Liang, Stella Diaz Varon, Nikanor Parra and many other young, promising and unknown country artists who later became titans of Latin American literature. ENDLESS POETRY is a story about poetic experiments; the story of a unique youth who lived in a way that not many dared before them: sensually, authentically, freely, madly. This is the sequel and the second part of the autobiography of Jodorowski's film, which began with the Dance of Reality (2013), which focused on Jodorowski's childhood in Tokopilla (northern Chile). Endless poetry, in turn, depicts the youth and youth of Jodorowski in the bohemian district of Matukana Santiago, in the late 1940s and early 1950s. It was screened in the Two Weeks of Directors section at the 2016 Cannes Film Festival. The plot of Alejandro Jodorowski, who now lives in Santiago, Chile and works in his father's shop, rejects the pressure of his Jewish family to enter medical school and instead pursues a career as a poet. By creating dolls he is in contact with the man who gives him the studio as his first residence. In this new life he meets artists, poets and performers, both notable and amateur, among them Nikanor Parra, whom he insults during a misunderstanding about Stella Diaz Varon, the woman who inspired his poem Viper. His best friend and fellow poet Enrique Len fights with his girlfriend, whom Alejandro saves from suicide. They had sex, and she got pregnant. An elderly man who used to work in a circus with His father Alejandro Jaime encourages Alejandro to return to the circus, which he does as a means to laugh from his troubles. Enrique and Alejandro would later reconcile. Alejandro's parents notify him that their house burned down along with all his labors and children's property. He visits his home to say goodbye to his childhood and contemplate what he wants to be. He visits Parra, who teaches mathematics at an engineering school, to ask him for his father's advice about his Parra urges him not to pursue a career as a poet, but Alejandro Alejandro and refuses to compromise. When strong pro-Ibanez sentiment arises in Chile during his second period in office Alejandro decides to go to Paris to preserve surrealism. His father catches him in the dock before he leaves and tries to drag him back to work in the shop with him forcefully. Alejandro overpowers him and leaves, never seeing his father again. Jodorowski, Infinite Poetry tells the story of the years of the Chilean artist's youth, during which he freed himself from all his former limitations, from his family, and was introduced into the advanced bohemian art circle of 1940s Chile, where he met Enrique Len, Stella Diaz Varon, Nikanor Parra ... at that time promising young but unknown artists who later became titans of twentieth-century Spanish-language literature. He was inspired by the beauty of being with these creatures, exploring life together, authentically and freely. A tribute to Chile's artistic heritage, Infinite Poetry is also an ode to the search for beauty and inner truth as a universal force capable of changing one's life forever, written by a man who dedicated his and a career in establishment creation and artistic awareness around the world.
