Android, apk, sharp ds, nintendo ds emulator, Android games, pokemon diamond for Android, Pokemon pearls for android, platinum Pokemon for Android Download dramatic emulator DS Option 1: MEDIAFIRE Option 2: SIPPISHER Pokemon Pearl (Rom) Option 1: MEDIAFIRE Option 2: MEGA - Option 2 : Mega Installation - Download Emulator and Rom Game - Install emulator - Open emulator and ready :D LIKE SAU SOUTH? In 2006 they launched Pokemon Diamonds and Pearls for the Nintendo DS portable console, in these two games a new region called Sinnoh is known and there are 493 Pokemon up for grabs, the fourth generation of games that will fit. ENGLISH - JAPONES In the case of downloading the mobile version of Android, first install the emulator, which comes in APK format, and then download the ROM, which gets into the folder that you downloaded and play!. Files come compressed to unpack them, we need to download the file compressor, anyone can work, but you can download WINRAR in case you play on PC or RAR in case you have a mobile phone with android, RAR you can find it in the center of your mobile phone download app. Remember that ROM is only part of it. In order to use this ROM you will need to download the Nintendo DS emulator. There are emulators for a variety of platforms such as Windows, Android, iOS and Mac OS X. Rum contains video game files and the emulator acts as a game console. In order to play, you have to enter the downloaded ROM in the emulator folder. If you don't have an emulator yet, visit our Nintendo DS emulator section, where you'll find PC, Android, iOS and Mac emulators that will allow you to enjoy all your favorite games. The privacy and cookies policy of Nintendo Stars, Pokemon Diamond and Pokemon Pearl are available for download. There are also very good Pokemon titles like Pokemon Dash, a game that, although not role-playing, has components that make it quite interesting and even addictive. Always be aware of the updates in this section to have the latest versions before anyone else as soon as we can give them to you. If you're having trouble downloading, feel free to consult the frequently asked questions at the bottom of this page, as well as the Poke and Play forums and The Pokemon Office.
