There's PowerPoint to try to expand the noun both class and then there are two print PDF activities - one on the description of dragons and one for writing about animals. Find it all here. 4 cm. Where's Wally? Everyone loves a little bit Where's Wally?, and giving kids an excuse to scour the detailed pages in the classroom certainly won't feel like work, so this idea is sure to come down to treatment. The idea here is to pick someone in the picture and say: Can you find a smiling, strong person? Too hard? Well, can you find a tall, strong, smiling man with a blue hat and an axe?. Then, as a writing activity, children come up with their own descriptions of the characters in the photos for their friends to use in order to find them. You can read about the whole idea here. 5 to 5 euro Extended Noun Phrase Song By Clicking on an educational song on YouTube is always a bit of a gamble. The quality can vary wildly, let's say. So it's a great pleasure to find this punk ditty that features a bunch of good examples of extended noun phrases that use adjectives in front of nouns and prepositions after them. Watch it above, or on YouTube, here. From 6 to 6 euro Extension offers This list has a set of tips and learning ideas to help teach extension offerings by adding noun phrases, adjectives and adverbs.
