We invite you to access this website and witness the pride within the Camdenton Laker Community. Camdenton R-III School District AdvancED Accreditation Camdenton R-III School District advanced accreditation. AdvancED, North Central Union Accreditation and School Improvement Commission (NCA CASI), Northwest Accreditation Commission (NWAC) and Colleges and Schools Accreditation and School Improvement Council (SACS CASI) Association. This action was taken at an AdvancED Accreditation Commission meeting in Tempe, Arizona, in June 2016. AdvancED provides nationally recognized accreditation, a continuous school development whose goal is to improve student performance. To gain accreditation, schools must meet AdvancED's high standards, be evaluated by a team of out-of-school professionals, and implement a continuous school improvement process. About AdvancED AdvancED is a non-profit, nonpartisan organization that makes rigorous, on-site school quality assessments of Pre-K through 12 school and school systems to help educators and their communities ensure that all students realize their full potential. While their expertise has been in the field of accreditation for more than a hundred years, AdvancED is also committed to helping schools develop. Combining the knowledge and expertise of a research institute, the skills of a management consulting firm, and the passion of a grassroots movement for educational change, we serve more than 34,000 schools and school systems as trusted partners, employing more than 4 million educators and registering more than 20 million students across the United States and 71 other countries. Everyone learns every day! Director: Brett Thompson Main Office: 573.346.9232 Inteamnt Office: 573.346.9299 Rehing Office: 573.346.9275 Nurse's Office: 534.346.9209 Since the new high school facility opened in 2007, Faculty, students and parents of the Camdenton High School community have continued to pursue the tradition of academic excellence that has become a standard in our community. Camdenton High School is ready for success, as well as improving the academic achievement of our students and the ongoing capital improvements on our campus. Camdenton High School is built on the principles of professional learning communities that emphasize the importance of learning for all members of our adult and child education community - Everyone Learns Every Day. Our faculty regularly collaborates based on clear learning outcomes in each academic content area and joint assessments designed to determine students' progress towards achieving academic outcomes and goals. Regular and focused dialogue between groups of teachers in our building provides a format for our teachers to share effective teaching strategies and develop systematic interventions to help students experiencing difficulties as well as those who achieve a higher level of success. Thanks to the exceptional support of our community, exceptional facilities, quality teachers and an extremely talented student body, Camdenton High School remains a segregation school in Missouri.
